## ELMER'S THREE STARS

GEORGETOWN AT PRESTON  
APRIL 4TH

This was a grand exhibition of hockey with fast skating, fine passing plays, good defensive work and stonewall goal keeping.

Both teams gave all they had and that was plenty. Referee George Hayes ruled with an iron hand and made the boys play hockey which was a change from the first game between these two teams.

There was one disputed goal which made the winning margin in the game. But I believe if Preston had needed more goals, they could have got them as they seemed to have the edge over Georgetown.

Without any doubt the best team won and all the honour goes to both teams for the all out display they gave. First star goes to the Preston goalie. 2nd star goes to No. 4 (Schmalz) who seemed the best hockey player on the ice. The 3rd star goes to Beaumont once again for a grand display against heavy odds. Honorable mention goes to Nick Ferri for his best display since the Port Eglon series.

So ended the season in a blaze of glory. Georgetown went a long way down the trail to a championship. With one more outstanding defence man and another wing man of the same calibre as Beaumont or Ferri, the boys might have carried through.

The hockey public of Georgetown deserve a special orchid for the support they gave their team. Why not start building now for the championship in 1947.

The thought has occurred to the writer just how much money was spent on hockey by the Georgetown public this past season. We venture to say more than \$10,000. Just half of that would go a big yearly payment on an artificial ice plant in the Georgetown arena.

I wonder if the Arena management have considered installing artificial ice to reap this big harvest that goes out of town?

So long for this season — ELMER.

## PRESENTATION TO LOGAN FAMILY

Prior to their removal to Glen Williams, neighbours of Mr. and Mrs. William Logan and Miss Olive Logan, gathered at the home of Mr. and Mrs. James Inglis on Friday, March 29th for a social evening. The evening was spent with cards and dancing.

Mrs. Albert Pressford read the following address:

Dear Mr. and Mrs. Logan and Olive: We your friends and neighbours learned with deep regret that you have decided to leave the neighbourhood. It is our earnest wish that you should know how sorry we feel. You have been among us for a long time and during that period, we have learned to affectionately appreciate and respect you.

You have entered into all our pleasures and our sorrows have never fallen on unsympathetic ears.

Although you will not be with us, we would like to feel that you are not forgotten, and remember that you have neighbours and friends who will always be glad to see you and will always be interested in you, wherever your pathway may go.

Our sincere hope is that you will have good health and God's blessing in the years to come.

Please accept these Gifts and our very best wishes for your future of health, wealth and happiness.

Mr. Howard Garvin then presented them with a chair and a hassock and Mrs. L. Garvin made a presentation of two pictures.
