**SOCIAL AND PERSONAL**

Rev. and Mrs. R. E. Jones of Toronto spent a few days last week with their daughter and son-in-law, Mr. and Mrs. Norman Verdec.

Mr. and Mrs. Keith Burke and family moved last week to their new home in Oaledonia. They have lived on Queen Street for the past four years, during which time Mr. Burke was on the staff of the Brampton Training Centre.

Mrs. Harold McClure was hostess to some twenty members of the Lorne Scots W. A. at her home on Maple Ave. one evening last week. During the evening gifts were presented to Mrs. William Tennant, an English war bride who recently arrived in Georgetown, and to Mrs. John Fletcher (Jean Tennant) whose marriage took place recently.

During a recent visit to Georgetown, Mrs. Frank Binnie of Lindsay enjoyed a chicken supper on March 21st at the home of friends. It will be a surprise to them to know that this was the 52nd anniversary of her marriage to the late Mr. Binnie. The following Sunday, Mrs. Binnie sat in the same seat in church where she had sat as a bride and later visited her husband's grave in the cemetery.

**PRESTON WIN OHA INTERMEDIATE CHAMPIONSHIP**

After defeating Georgetown Intermediate "B" OHA team in the quarter finals, Preston Vets have gone on to defeat London and Bobcaygeon and to win the Ontario Intermediate "B" OHA Championship.  
 In the finals played at Barrie and Gaik last week, the Preston team were victorious over the Bobcaygeon sextette 12-4 and 9-4 in the finals.  
 We offer congratulations to the winners, with the hope that again next year Georgetown may have a team of championship calibre, which will go on and annex the title.

**GEORGETOWN STILL NOT IN**

Meeting in Milton last week end the first Halton County Baseball League since 1937 was formed, and is headed by that veteran ball player from Oakville, Ollie Johnson, as president. With Ollie as president the league should take on new life this year, especially as he is backed up by a group of ball enthusiasts such as F. W. B. Fitzgerald, vice-president; and Larry Wilson, secretary-treasurer, of Oakville.  
 Three teams so far comprise the set-up, Milton, Acton and Oakville, and it is hoped Georgetown may get on the band wagon before the opening date — May 18th.

Intermediate ball was an exciting Summer pastime here before the war and with "new blood" drawn from our last year's Juvenile ranks to bolster up a team of the "die hards" in ball, Georgetown has yet a chance of entry.

Correction — a rather un pardonable error appeared in this column last week — un pardonable because it was made by the writer. However, here is what we meant to say in its true prospectus: — "Wanted — a diversion for the summer months for Jack Armstrong, Ern Thompson, Ken McMillan and Bob Lane."

A few of the "dyed in the wool" hockey fans took the special train to Barrie last week to see the Preston Vets trounce the Bobcaygeon team.

Bob Goldham was one of the Toronto Maple Leaf hockey players to represent the Toronto Club at the Victory Parade in Montreal on the occasion of the Canadian Stanley Cup victory last week.

Don't miss the big Hockey Club dance in the arena next Thursday night, April 25th. A chance to meet all the players in person.

New windbreakers have been purchased for all the hockey players and will be presented at a banquet the following week, at which the players and executive will attend.

For interested lacrosse fans in the district, it is noted that seven and probably eight clubs will compose the senior lacrosse set-up this year. Orillia, Terriers, Owen Sound Grays, Mimico Mounies, Hamilton Tigers, St. Catharines Athletics, Toronto Lakeshores and Brampton Excelsiors are definitely in the league, with Pergus and Orangeville, or a combined team from these towns, still undecided whether to enter or not. The season will open in Brampton on May 18th with Mimico visitors for the initial game there. We understand that both "Piper" Baines of Owen Sound and Russell T. Kelly of Hamilton were after Bob Goldham to play for their teams, but as yet we have not heard of any decision being made.

(By J. Stamp)

So far no further advancement in organizing a softball league for Georgetown and vicinity.

Last week I asked the coaches of each team to get in touch with me so a schedule could be drawn up for the 1946 season, up to this date I've had no word from anyone. It certainly will be a dull summer without the regular softball teams competing against one another, however, looking up last year's initial game, I find we didn't start until JUNE 23rd! Hustonville and Smith & Stone engaging in the first game.

We all know what happened last season, a late start, and an equally late finish.  
 Many games last year had to be played in five innings on account of darkness.

So, if we intend to have a softball league let's get together and start the ball rolling by May 1st, which will give us ample time to get a nice long schedule played and playoffs over before the short days hit us again.

I understand the Glen are thinking seriously of entering a softball team which will make the competition more interesting.

I hope to be able to announce the opening softball game next week.

The Glen baseball team, I understand, have sent for their new uniforms in readiness for their entrance into O.B.A. competition, a red and white color combination is the choice I believe, however I may be in error on that point.

These lads are anxious to engage Jimmy Sargent's Pirates in an exhibition game as soon as the weather — brrrrrr! — warms up a little!  
 Rumours (rumours I said) have it that some well meaning per-

son or persons in the Glen intend to erect an arena as soon as time permits, to enable the lads and lassies of that village to really skate and play hockey or what have you, to their hearts content.

WONDER if those two representatives for Georgetown travelled to Milton for that intermediate baseball meeting, which concerns an inter-county league, do hope they did and that Georgetown enter a team!

All sport talk and activities this past season, or should I say seasons, have been centred on the men and boys of this district, don't you think the girls deserve some consideration too?

I wonder if any of the sports fans who read the sports section in a certain Toronto paper saw the article about a thirteen year old lad, who, playing midget for a Toronto team scored 15 (fifteen) goals in one game, eleven in another, thirteen in another, and in several games he scored 8 or more — what a dynamo he must be — we'd better get him on a line with Beaumont and Ferri for next year's hockey prep!
