HORNBY

Mr. and Mrs. Joseph Hollingworth, who have been in the honey and fruit business for many years, west of Milton, have sold their place, and for the time being will live with Mrs. James Bailey here in Hornby. They arrived on Monday, April 15th.

Trained by their teacher Miss Jardine and their music teacher Mrs. Clement, the children of the Hornby school gave their parents and friends a very fine evening's entertainment on Friday April 12th, when they put on a Minstrel Show with blackened faces, negro dialect, and interludes, together with a musical programme. The show was interspersed with piano solos, duets, songs, stories, jokes, a tap dance, harmonica solo, and dances, for as pleasing and entertaining an evening as anyone could wish for. Negro names had previously been attached to the rollicking black folk who remembered their parts and spoke them like veterans of the boards. On the walls of the schoolroom were articles of art made by the children and the stage had a particularly fine lighting effect. It was quite evident that the children enjoyed the programme as much as those who had come to be entertained. The evening was rounded off with an Easter Anthem and a Good Night Song. The Chairman was Frank Stark.

The United Church YPU met at the home of Mr. and Mrs. Norman Canelon on Monday evening April 8th. In the absence of the president, the minister Rev. Fred Ainsworth led the meeting. Jack Canelon gave the topic. The next meeting will be withdrawn as the members may attend the Halton County YPU Spring Rally to be held in the Bethel United Church. Over twenty people were present. Practising was done for the church Easter Service. Mrs. Canelon served a delicious lunch following the games.

Among visitors to our community over the week-end were Mrs. Howard Fisher and Miss Frances Neff of Simcoe.

Mrs. William Alderson is in the Toronto General Hospital, having undergone a couple of operations. Her friends wish her a speedy recovery.
