Combined Choirs Present Easter Cantata in United Church

For a second year, the combined choirs of the four Georgetown Protestant churches presented a sacred cantata in the United Church, which was well attended last Thursday evening. This year the choirs chose Sir John Stainer's "Crucifixion," and the cantata was again under the direction of Miss Lynda Stewart, ATCM, LRSM, organist and choir leader at the United Church. Mr. Kenneth Harrison, of Knox Presbyterian Church was at the organ and Miss Margaret Cook of the Baptist Church at the piano.

The forty-voice choir gave a beautiful presentation of Stainer's lovely music. Soloists included Miss Jean Harley, Mrs. J. E. Ostrom, and Messrs. Watson Winfield, Reg Broomhead, S. T. Param, Douglas Cole, Thomas Warnes, Alfred Tost and Rev. J. E. Ostrom. Those taking part in trios and quartets were Mrs. H. Harlow, Mrs. A. R. Vannatter, Misses Ruth Evans, Marjorie Kentner, Isobel Dobson and Jane Early.

Following the performance, Mr. S. T. Param in his capacity as president of the United Church, choir, presented flowers to Miss Stewart and gifts to Miss Cook and Mr. Harrison. Members of the cast were later entertained with refreshments served in the church basement by the ladies of the church.

THE PROVINCE OF PROMISE...

ONTARIO, a thousand miles this way and a thousand miles that, is the playground of Canadians and Americans alike. With its diversity of climate, life and interest, the province has everything the tourist wants and he comes in his millions to partake of it. Figuratively, the reception, accommodation and entertainment of these visiting millions set up waves of opportunity-filled activities that affect every phase of the business life of Ontario. The impact of the visitor-industry is seen on every hand... it is the wealth of all of us... we are a permanent host to millions.

A CORNER ON TOURISTS

Annually, by train, boat, bus and private car, more tourists enter Ontario than all the other provinces of Canada combined. In 1945, although gasoline rationing was not lifted until August, 2,070,000 American motor cars came in for less-than-forty-eight-hour stays and \$54,000 for longer periods. Competent authorities estimate Ontario's yearly share of tourist revenues as 60% to 70% of Canada's total. The province expects at least 10,000,000 American visitors in 1946.
