THE PRESBYTERIAN CHURCH IN CANADA

Rev. J. M. Macgillivray, D.D.

Moderator of the General Assembly

Rev. J. W. MacNassar, D.D.
Rev. T. W. Taylor, D.D., Ph.D.
Clerks of the General Assembly

May, 1946

To the Members and Adherents of the Presbyterian Church in Canada—
Dear Friends,—

The great task of rebuilding a shattered world has begun. Indispensable to the achievement of that task is the ministry of a Church that is strong in faith, courage, and sacrificial service. The Church, under the inspiration of the Holy Spirit, is mobilizing its forces to play its essential part in world reconstruction; and the Presbyterian Advance for Christ and Peace Thankoffering represents our participation in that forward movement.

When Nehemiah was called of God for the rebuilding of the walls of Jerusalem, he did not begin by lamenting the untoward circumstances with which he was faced, but by confessing his sin before Almighty God.

As we embark upon the vast enterprise to which God has called us in our day, shall we not do the same? There can be no real advance for Christ that does not originate in prayer.

Let us therefore go forward in repentance, humility and faith, believing that we shall be blessed in our faithful obedience to God, in word, in deed and in substance.

Faithfully yours,
J. M. Macgillivray
