

Green and White
Put on a good front this first peace-time spring by having your house done over. C-I-L TRU-TONE WHITE with trim of C-I-L Shutter Green is always in good taste. Inside use C-I-L Semi-Gloss for walls, CILUX ENAMEL for woodwork and furniture.

Buff and Brown
Here's a traditional colour scheme which has stood the test of time. C-I-L Colonial Buff or the slightly darker C-I-L Falcon Buff is good for trim, either C-I-L Leather Brown or C-I-L Chocolate gives rich contrast.

"THE SPECKLED TROUT"
Based upon a picture painted for Carling's by Shirley Logie
This is one of a series of illustrations on the subject of the Conservation of Canada's natural assets designed to emphasize the fact that the beauties of unspoiled nature that we enjoy today are a precious inheritance which we must protect for tomorrow.

"A Beauty"
A swirl beneath the surface, a ripple where a moment before quiet water had mirrored the leaves above... And then—an explosion of iridescent beauty as the speckled trout leaps high in search of food.
Since the days of Isak Walton the joys of angling have captured the hearts of many men, and we in Canada have been endowed with a stock of fighting fish unparalleled in the world. But by our very enthusiasm we have endangered the sport we love. Many waters which formerly teemed with fish are now barren. Many species have vanished entirely from their old haunts.
Our governments, both Provincial and Federal, have instituted restocking programmes, built fish hatcheries, and passed laws for the protection of game fish, but without wholehearted and active public support, mainly in the observance of daily catch limits, these measures will fail.
Conservation is not just a doctrine to be preached to hunters and fishermen. It is a vital part in the continuance of our national economy, and must, of necessity, fail if its measures do not receive the full support of all Canadian citizens.

HOCKEY TEAM FETED AT BANQUET & PRESENTATION

Georgetown's grand Intermediate "B" hockey team, which put up a gallant fight for the championship this season, were honoured guests at a banquet in the McGibbon House on Thursday evening. All members of the team were present to enjoy a delicious chicken dinner. Highlight of the evening was the presentation, by Bob Lane of windbreakers and crests to the lads who brought sports fame to Georgetown.
A toast to the team was proposed by Walter Ford and Jack Shropshire spoke for the Weston boys, saying how much they had enjoyed donning Georgetown uniforms. Mayor Cleave spoke on behalf of the town and Jack Armstrong, president of the Hockey Club, was chairman.
A picture of the team was taken later by Mr. Cecil Chinn of Brampton, and the 1945-46 hockey season passed into the pages of sporting history. It was a grand team which triumphed over the local group of Aston, Milton, Elora, Orangeville and Fergus, defeated Fergus in the group play-off, and went on to victory over Fort Egan and Owen Sound before being edged by Preston, who went on to defeat London and Bobaggon for the Intermediate "B" championship.
The hundreds of fans who followed the team to home and on the road are already looking ahead to next season and a stronger-than-ever team to try for the championship which has eluded Georgetown so often.
CARD OF THANKS
Mr. and Mrs. Leslie Fallow wish to thank their many friends and neighbours for cards, gifts and kindness shown to them in their recent troubles.
