ADELINE BRADLEY DIES AT WOODSTOCK

Adeline Bradley, 88, sister of Mr. Howard Bradley, of Hornby, passed away recently at Woodstock, the cause of death being bronchial pneumonia. The funeral service was conducted by the Rev. H. Leigh Pink, L.Th., Rector of St. Stephen's (Anglican) Church, Hornby, at MacNab & Son Funeral Home, Milton, at 2:30 p.m., Monday, May 13th. Interment was at St. Stephen's cemetery, Hornby. The deceased was a member of St. Stephen's congregation for many years.

Notice

TAKE NOTICE that after the publication of this notice in four successive issues the Municipal Corporation of the Town of Georgetown intends to pass a by-law for the closing of an unnamed street extending from Dufferin Street to the lands of the Canadian National Railway and to provide for the sale of the portion so closed to James Mulholland. The following is the description of the street to be so closed and conveyed:

ALL AND SINGULAR that certain parcel or tract of land situated, lying and being in the Town of Georgetown in the County of Halton and being composed of an unopen street allowance COMMENCING on the south-east limit of Dufferin Street at a distance of 284 feet measured north-easterly from the intersection of the southeasterly limit of Dufferin Street with the north-easterly limit of Main Street; THENCE south 45 degrees 11 minutes east a distance of 190.41 feet to the lands of the Canadian National Railway; THENCE north 73 degrees east along the northerly limit of the lands of the Canadian National Railway a distance of 49 feet more or less; THENCE north 45 degrees 11 minutes west a distance of 212.5 feet more or less to the southeast limit of Dufferin Street; THENCE north 44 degrees 40 minutes east along the southeast limit of Dufferin Street a distance of 40 feet more or less to the place of beginning.

P. B. HARRISON, Clerk

HALTON JUNIORS TO COMPETE FOR THREE TRIP AWARDS

Three young people in Halton County are going to see a little more of Canada and the United States this year as a result of decisions reached at an executive meeting of Halton County Junior Farmers on May 8th. Since Halton is now only allowed one representative at the 4-H Club Congress in Chicago, this year this coveted award is to go to the boy receiving the highest number of points in judging and who also coaches a team.

The two girls with highest points at Achievement Day on June 1 will be the guests of Lincoln Juniors the first week in August, on a trip through New York State, where they will visit points of interest, experimental farms, Cornell University and New York City. Prizes for other girls in the competition will feature silver flatware again, and boys awards will be in cash. It is hoped that the usual turnout of young people will make June 1 this year, an eventful day.

Pleasant memories of the Halton Junior Farmer "At Home" in the Brant Inn last month were recalled when this report was presented. Mr. Whitelock commended the executive highly on the success of the party and announced also a substantial return in the treasury. The report of the Junior Farmer Annual Meeting at the O.A.C. in Guelph, in April, announced the prominence of two Halton Juniors in provincial Farmer circles. Miss Betty Riddell is one of the two Junior Institute girls in Ontario to be elected to sit on the Federated Women's Institute Board, and Geo. S. Atkins, County President, is the new director for Halton and Wentworth on the Provincial Junior Farmer executive.

The meeting approved a resolution, to be sent on to the County Council for action, to prevent indiscriminate slashing of woodlots in the interests of soil conservation.

The Junior Plowing Match, May 25, came in for discussion as did the Federation field day, June 21st. The Junior Farmer contribution to the field day is an exhibition baseball game. The Federation is presenting a trophy to the winning Club team.

The executive also made plans to

visit the Haldimand Youth Centre at Cayuga, in the near future. The meeting adjourned till the first Monday in June.

STEWARTTOWN

(last week)

The infant son of Mr. and Mrs. E. Hodge was christened in St. John's Church on Sunday afternoon by Rev. Leigh Pink. He received the name Kenneth Charles. Mrs. H. Lusty of Georgetown and Mr. Ken Harris of Toronto were the God-parents. Visitors with Mr. and Mrs. Hodge were Mr. and Mrs. E. Harris, Mr. and Mrs. H. Lusty, June and Barbara of Georgetown, Mr. and Mrs. Ken Harris and Evelyn of Toronto, Mr. and Mrs. Calvin Bailey, Marjorie and John of Hornby.

Mr. W. Lawson has removed the old building situated on the bank between the creek and race. The village is improved with the removal of several of those old buildings lately, and safer as they are a fire menace to other properties.

Mrs. Lawson spent Sunday with her daughter Mrs. Jas. Hunter at Norval. The W.I. held a quilting meeting last Wednesday evening.

Mrs. Mary Bally is attending the W. A. Diocesan Annual Meetings in Hamilton this week.

FAIRBANKS-MORSE

Automatic

COAL STOKER

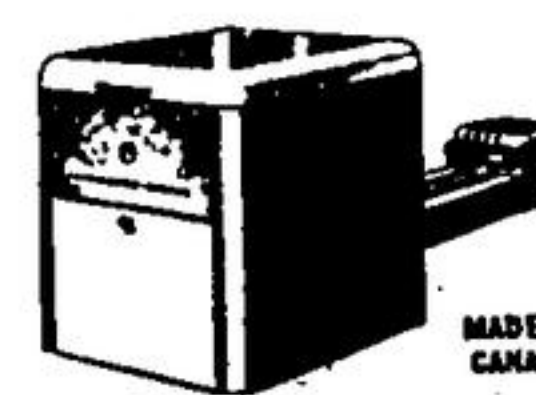

ENJOY YOUR EVENINGS free of furnace worries. Automatic controls on the F-M Stoker assure heating comfort.

That's because automatic controls regulate the flow of fuel to the firebed, where every heat unit is extracted from the lower-priced stoker coal you use. There's absolutely no waste. No chilly rooms in the morning. No more running down to the cellar as soon as you're up to attend to the furnace.

The F-M Coal Stoker is complete. No costly extras to buy. It can be easily installed in a few hours. Why stick to old-fashioned methods when clean, automatic heating costs no more.

Investigate NOW when installation can be easily and economically made.

"THE SPECKLED TROUT"

Based upon a picture painted for Carling's by Shalley Lofley

This is one of a series of illustrations on the subject of the Conservation of Canada's natural assets designed to emphasize the fact that the beauties of unspoiled nature that we enjoy today are a precious birthright which we must protect for tomorrow.

"A Beauty"

A swirl beneath the surface, a ripple where a moment before quiet water had mirrored the leaves above... And then—an explosion of iridescent beauty as the speckled trout leaps high in search of food.

Since the days of Izaak Walton the joys of angling have captured the hearts of many men, and we in Canada have been endowed with a stock of fighting fish unparalleled in the world. But by our very enthusiasm we have endangered the sport we love. Many waters which formerly teemed with fish are now barren. Many species have vanished entirely from their old haunts.

Our governments, both Provincial and Federal, have instituted restocking programmes, built fish hatcheries, and passed laws for the protection of game fish, but without wholehearted and active public support, mainly in the observance of daily catch limits, these measures will fail.

Conservation is not just a doctrine to be preached to hunters and fishermen. It is a vital part in the continuance of our national economy, and must, of necessity, fail if its measures do not receive the full support of all Canadian citizens.
