COLUMNIST REPORTS

Margaret Aitken, Toronto Evening Telegram Columnist, presents a daily three-minute commentary of views from the woman's point of view over the CBC Trans-Canada network, Monday to Friday, at 4:15 p.m. EDT, 5:15 p.m. ADT. Miss Aitken's news, to be broadcast from June 3 to August 30, precedes the regular 4:18 p.m. talk programs arranged especially for Canada's homemakers.

VELMA LANE AND CARMEN WHALEY MARRIED LAST WEEK

A quiet wedding was solemnized on Friday, May 24th at 3 o'clock, by the Rev. R. C. Todd at the United Church parsonage, when he united in marriage Velma Pearl Lane, youngest daughter of Mr. and Mrs. Wesley Lane of Georgetown, and Carmen Hunter Whaley, only son of Mr. and Mrs. La Verne Whaley of Streetsville.

The bride wore a street-length two-piece white dress with white accessories and a corsage of red Sweetheart roses. She was attended by her sister, Miss Ethel Lane, wearing a pale blue alpine dress with white accessories and a corsage of pink Sweetheart roses. The groom was attended by Mr. William Parker of Streetsville.

At the reception held at "Reta's", the guests were received by the bride's mother, wearing black and lime silk Jersey with black accessories and a corsage of pink carnations. She was assisted by the groom's mother, who wore a blue wool suit with black accessories and a corsage of peach carnations.

For travelling, the bride chose a pale blue wool suit with white accessories. After a short trip through Northern Ontario, the young couple will reside in Streetsville.

Legion Notes

by I. M. C.

The regular meeting of Branch 120 was held last Friday evening in the Legion Hall. A great deal of business was on the slate for the evening and the meeting was rather a lengthy one. One of the highlights of the evening was the resolution to support the work carried on the Recreational Council in Georgetown. We feel that the Branch, in this action is merely furthering the principles of the Canadian Legion. As most readers are well aware, Branch 120 has always been intensely interested in recreation especially in regard to the youth of the community. Many will remember the midget hockey teams and other teams sponsored by the Branch in past years.

We understand via the Branch "grapevine" that efforts are being made by Zone officials to secure the local Girls Pipe Band for a Zone Parade to be held sometime in July. Evidently members of the various branches who attended the Zone parade held early this month in Town carried rather glowing reports back to their Branches about this musical organization. We hope that the Pipe Band can attend.

Remember, Comrades, — the invitation extended by Oakville Branch to visit them on the evening of June 7th. A fine social evening is assured and the initiation will be in charge of the Georgetown team. If interested in making the trip, write your name on the bulletin board in the near future.

A Grave Decoration Day is to be held in Town in the near future by Branch 120. This will probably take the form of a parade to the Cemetery, placing of the flowers on the graves of our dead comrades—and a service in memory of those who made the supreme sacrifice in World Wars I and II. Further details will be given at a later date in this column.

The Executive and members of the local Branch extend their congratulations to two of Georgetown's most distinguished soldiers — Fred Harrison and Tom Dickenson. At an Investiture held on Friday, May 24th they each received the Military Medal, one of the Nation's highest awards, for gallantry in action. It seemed quite fitting that the Governor-General, Viscount Alexander, who commanded forces in Italy, should have presented it to them, as it was in Italy both decorations were so gallantly earned.

The citations telling of the actions resulting in these decorations appear elsewhere in this issue.

Several of the ladies of the Auxiliary who are also members of the St. Johns Ambulance attended the motorcycle races on the "24th" to take care of any casualties. Understand trade was fairly brisk, too and that they made a fine job of patching up some of the riders unfortunate enough to have had minor crashes. Last night (Tuesday, the 28th) several members of the Auxiliary visited the neighbouring Auxiliary in Brampton. A good evening's entertainment was reported by all who attended.

A number of the Comrades have been ill lately and the sick convener, Mrs. Tom Grieve has had a busy time of it, visiting the shut-ins with cigarettes, etc. Glad to see one of them Alex Taylor able to be around, after a painful injury to his leg, suffered at work. However, Russell Treatine and Mr. Oreygoose are still confined to bed. Russ is still in hospital recovering from an injured leg. We wish them a speedy recovery.

A social and Banquet is being held next Friday by the Auxiliary for the latest group of returned veterans to be welcomed by Branch 120.

BROWN-SWITZER WEDDING ON MAY 24TH

A quiet wedding took place at Knox Presbyterian manse on Friday, May 24th, when Doris Agnes, youngest daughter of Mr. and Mrs. Joseph C. Switzer of Norval became the bride of Frederick John (Ted) Brown, only son of Mr. and Mrs. Frederick J. Brown of Limehouse. Rev. C. C. Cochran performed the ceremony.

Given in marriage by her father, the bride was lovely in a street-length dress of white crepe fashioned on Princess lines with cap sleeves made of lace and white accessories. Her corsage was of American Beauty roses, bouvardia and fern. Their only attendants were Dr. and Mrs. S. Magwood of Georgetown. Mrs. Magwood gowned in a street-length dress of mauve and green printed silk jersey with white accessories. Her corsage was of pink roses, lily-of-the-valley and fern.

After the ceremony, a reception was held at the home of the bride's parents. The bride's mother received the guests wearing black crepe with a yellow rose corsage. Mrs. Brown chose a suit of coral wool and a corsage of pink baby gladioli. The couple left on a short honeymoon trip, following which they will take up residence on the farm near Limehouse.

IT'S THE COVERING THAT COUNTS

SHIELDED!

Nature has gone to great lengths to shield from harm the ugly, delicious lobster. With what craftsmanship it has been protected... by hard, flexible armour—formidable pincers!

For 40 years Brantford Roofing, too, has used fine craftsmanship to shield Canadian homes from the onslaughts of weather—and time. To-day, Brantford Asphalt Shingles are playing their full, vital part in Canada's great home-repairing program. Countless thousands of Canadian homes are proudly protected by Brantford Roofing in many varieties of colour combination and design.
