**ELECTED DOMINION PRESIDENT OF CANADIAN LEGION**

Maj.-General C. B. Price, CB, DSO, former Dominion President, Mr. Alex DOM, of Montreal (left) the newly elected Dominion President of the Canadian Legion, is shown above being congratulated on his election by the

by L. M. C.

The Auxiliary held another bang-up evening for the latest group of veterans returned. The dinner and presentation was held last Friday night. Some twenty-odd veterans attended. More would have been on hand but unfortunately shift work intervened in some cases. An unusual feature was the invitation extended to members of the Branch to attend the social held after the presentation. A good many of the Comrades took advantage of the kind offer and reported an excellent time. A young lady from Brampton, Mrs. Dobbs entertained with ballads in the Lauder and Gracie Fields style. She is a charming young Scotch lassie who has just arrived from overseas to make her home in the neighbouring Flower Town, with her husband formerly of the Canadian Army. She is certainly a top notch entertainer and we trust that the Branch may soon hear her in a repeat performance.

The Auxiliary presented two of the overseas brides, Mrs. Bern Tennant and Mrs. Bob Rayner with lovely presents and wished them all happiness in their new homes in Town.

A presentation was also made to Miss Pearl Webster, who is to be married shortly.

For her excellent work as Zone Representative Mrs. Thos. Grieve received a cup and saucer.

Mrs. Glasford's orchestra supplied excellent music for the evening.

The Auxiliary are to be highly commended on the fine job they have been doing in greeting the returned lads. To date a large number have been made a very handsome presenta-

tion and we understand that there are still more such nights to be held.

We hear rumours of the Imperials holding their annual picnic in the early part of August. Although a meeting was held some time ago regarding this it was not too largely attended, but tentative arrangements were made. More of this later.

The alterations to the Legion Rooms, mentioned in this column some weeks ago have been progressing quite nicely, especially in the enlarging and re-vamping of the Beverage Room. It has been extended to almost twice the original size and more changes are to be made in the near future. We think it quite timely to mention a few of the proposed changes. A furnace room is to be installed and for this purpose a basement is to be added in part of the building. A large auditorium is to be installed, as well as a Ladies Room and a large lounge. Billiard tables, two in number are to be the main feature of a modern recreation room. These will be a decided addition and will fill a greatly needed gap in the recreational needs of the Branch. This is a very ambitious building program and it is only through the active co-operation of every member that it can speedily take place. We have a very capable building committee in charge of the project and on them rests the burden of responsibility for the project.

On Wednesday evening last, the committee arranging a Grave Decoration Day for the Branch held a meeting. The date decided on was Sunday

afternoon, the 23rd of June. Arrangements are now being completed and it is urged that every citizen should attend to pay their respects to the communities honoured dead. In this connection we ask that any citizen of Georgetown or district who has some one to be remembered in either war or who has since passed away, to get in touch with a member of the Legion or phone the Legion Rooms with the name for inclusion on our list. In this connection, Executive and members wish it clearly understood that this is NOT a private Remembrance and Decoration Service but is being sponsored by the Branch in honour of all of Georgetown's servicemen who did not return or have since passed away.

The Town Council and the Lorne Scots Band are both expected to participate. And rumour has it that the well-known leader of Georgetown's bands of other years, Alf Perrott, will wield the baton on that day. David Bowman M.M., who made such a grand job of marshalling the Zone parade held here last May is to be Marshal of the parade.

That popular member and vice-president of the Branch Russ Firestone, visited this week-end with Mr. and Mrs. Sam Tennant, John Street. Russ informed us that he was only out of Christie Street Hospital for the week-end and would return for further treatment early in the week. He expects to be under treatment for at least another five or six months.

Bob Rayner, is undergoing treatment in Toronto General Hospital at present. Bob injured his hand some weeks ago in a press at Clay Products, Limited.

Some thirty members are attending the initiation in Oakville Friday night. This number, as well as the initiation team from Georgetown, will certainly make a large representation at the Oakville Branch initiation. Any member wishing to go along might still make it by placing his name on the bulletin board.

The Building Committee and Poppy Fund held meetings last Wednesday evening. Both meetings were well attended and very favourable reports were given.

There is no mean work, save that which is sordidly selfish; no irreligious work, save that which is morally wrong; in every sphere of life the post of honor is the post of duty — E. H. Chapin.
