LOCAL NEWS

—Euchre and Dance, Limehouse Memorial Hall, Friday, June 7th. Rhythm Rubes. Cards at 9 D.S.T.

—Madame Sherrat will read your cards or teaoups at Rita's. Phone 280 for appointment.

—Last Thursday morning about 10 o'clock, Mrs. Nelson Cooke reports seeing a flock of about 75 wild ducks passing over town heading north.

—For prompt electrical repairs to appliances and wiring call H. C. Bailey, Charles St., Phone 399w.

—We hear that Harold McClure is planning on a paint job for his Edith Street funeral home this summer. The building will be painted white.

The May report of the Medical Officer of Health shows 8 cases of measles as the only communicable disease in town during the month.

A reader reports seeing a helicopter passing over town last Friday which makes us wonder how far off the day is when this will be as common a sight as an automobile driving by.

We don't know whether G. Jimmie (twisted) has the "blue" or not, but it certainly seems to be his favourite color. To his blue-trousered new home on Edith Street he recently added blue awnings and now he comes along with a blue delivery truck for his blue-trousered Main Street hardware.

Speaking of building, we have neglected to mention the attractive little machine shop which Reeve Ken Macdonald erected last fall behind his home on Market Street. Ken was a victim of the Legion expansion plans and had to move his shop from that location. His new building is a real credit and proves that a factory need not be a detriment to a residential area.

—On a trip to Timmins and Halleybury last week, W. F. Bradley reports snow in Timmins and a temperature of 27 on Thursday. In Timmins he had a chat with two sons of former Georgetown men, Duncan Ourtie, a druggist, whose father once ran a sewing machine factory here, and

Merton Lake, who is associated with his father, George Lake in publishing the Porcupine Advance.

—Have your eyes examined by O. T. WALKER, R.O., Optometrist, at his office over the Bell Telephone Co., Main St., Georgetown, the second Wednesday of each month. Or you may consult O. T. Walker at his office in Brampton. Phone Georgetown, 187; Brampton, 599.

Don't forget the next Intermediate baseball game at the park on Saturday afternoon, June 12th. Come and cheer our boys to another victory.

SEEKS CLOTHING — Redverse F. Pratt, executive director of the National Clothing Collection for overseas relief, to be held June 17-23 under the auspices of Canadian Allied Relief. Mr. Pratt, who took an active part in the 1945 clothing drive, is on loan from the Dominion Department of Labor and is busy now organizing committees throughout Canada for this nationwide effort to aid the distressed peoples of war-devastated Europe.
