**LIMEHOUSE**

Mrs. Ted Brown (Doris Switzer) was honoured with a miscellaneous shower at her home on June 12th by twenty-four relatives and friends. Dancing was enjoyed during the evening, with Mrs. Paul Barber at the piano, and refreshments were served.  
 On Monday evening, the Daughters of the Church of which she is a member paid a surprise visit and presented her with a lovely coffee table. Games were played and the evening concluded with a sing-song.  
 On Monday night, some fifty friends gathered in Limehouse Memorial Hall to tender a miscellaneous shower to Miss Doreen Kennedy of Huttonville and Mr. Archie McDonald of this community, whose marriage took place last Saturday. Dancing was enjoyed to music supplied by Emmanuel Karns, Helen Meredith and Jack Noble, and after the many lovely gifts were opened, delicious refreshments were served. Guests were present from Limehouse, Dublin and Bannockburn.

**BALLINAFAD**

The W.M.S. met at the home of Mrs. P. J. Shortill Wednesday evening for their June meeting. There was a good attendance. Mrs. A. O. W. Foreman had charge of the topic, several women taking part. Plans were made to hold an afternoon tea July 17 at the home of Mrs. Shortill. The proceeds are to be used to send bibles to Angola.  
 The Mission Circle met at the home of Mrs. Lloyd Swindler with the president in the chair. Mrs. D. Brown had charge of the topic which was very interesting. The next meeting is at Joanna Shortill's. At the close of the meeting Miss Lydia Snow read an address and Mrs. Foreman was presented with a beautiful table lamp from the Circle.  
 Rev. A. O. W. Foreman will preach his farewell sermon in Ballinafad United Church Sunday.  
 The death of Mr. J. Soper removes another of the highly respected citizens from the village. Sympathy is extended to the bereaved family and his many friends.

**A MESSAGE FOR THOSE WHO NEED TRAINED WORKERS**

**I recommend to you CANADA'S VETERANS...**

To take full advantage of the great future possible for Canada, Canadian business will need men of courage and such men may be found for I have worked with them, lived with them and fought with them. They are Canada's veterans and I am confident that the loyalty, initiative and unflagging determination which made them the best troops in the world, will also be the qualities so essential in Canada's business life.  
 Many are already skilled tradesmen, and many have a sound foundation of skills on which wise employers may build. I know of no better man-power supply in the world than the men and women from Canada's armed forces.

H. D. G. Crerar,  
 General

**CONSIDER THESE SERVICE SKILLS**

**ARMY TRADE FITTER**  
 Only one of 216 army trades, the trade fitter was trained to make and fit new or reworked parts of guns, power trains, gearing units, valves and machine tools. He had to follow simple sketches and blueprints, and among other duties, make parts from metal castings, forgings and stock. A knowledge of the working properties of steel and non-ferrous metals was essential. He typifies thousands of veterans available to industry today.

**ELECTRICAL ARTIFICER**  
 In the navy, this man maintained electrical navigation equipment, lighting systems, telephone switches and was a specialist in many naval electrical installations. He was a skilled machinist, qualified for general machine work and for manufacturing and repairing electrical equipment. With on-the-job training he would be capable of house and industrial wiring.

**STATIONARY ENGINEER—R.C.A.F.**  
 His duties were the installation, operation, overhaul and repair of all heating equipment used by the R.C.A.F. He had a knowledge of steam fitting, valves, pumps of all types and underground and overhead distribution systems. He holds a current provincial first, second or third class certificate. This is only one of the many specialized trades in the R.C.A.F.

**Employers—USE THESE BOOKLETS**

Many Canadian employers have these booklets. The National Employment Service and Department of Veterans Affairs offices will interpret them, and assist you in choosing veterans for your post-war jobs.
