TEEN TOWN HALL OFFICIALLY OPENED

Last Wednesday evening, some sixty teen-agers gathered in the auditorium of the old Town Hall to officially open it as the centre of recreational facilities in the town! Dancing was engaged to music supplied by Margaret Sargent's records played on a machine loaned for the occasion by Harold McClure. The refreshment booth was well patronized and during the evening, Don Parker took several pictures of the dancers. Moonlight dancing proved popular and there were novelty and lucky spot dances. A number of young people bought membership tickets, which entitles them to free admittance to the dances for six months.

So successful was the event that another dance was held on Friday night and there are more planned during the summer. Bill Millere and his recordings provided the music on this occasion and more new members were recruited for the ranks of Teen Town Hall.

The project is being sponsored by the Recreational Council, under the guidance of the director, H. J. Newman. There is still a lot of work to be done on the hall, and the teen-agers have been pitching in with a will to put it in first-class shape.

THE WEATHER

(by H. L. Hull)

No doubt it may be wicked for a lawn gardener to pray for rain in haying and harvest time, but we must admit that is what we are doing. With the shortage of rainfall in this particular locality the ground is terribly dry and garden crops and lawns are suffering from the drought.

It is tantalizing to listen to the weather forecaster predict scattered showers, when they have been so scattered we see none of them. If we had only a quarter of that deluge they got down in Essex and Kent lately, they would have been glad to spare it and we would have been thankful to get it.

Here are the local records for last week:

Tue., July 2	71	51
Wed., July 3	74	46
Thur., July 4	77	45
Fri., July 5	82	46
Sat., July 6	86	56
Sun., July 7	83	58
Mon., July 8	84	58

—That union services of the United and Baptist Churches are being held this month.

—That Ernie Alcott is now on the staff at Brill's Store, and Hugo Tapp is working there for the summer months.

GEORGETOWN JUVENILES TRY FOR O.B.A. PLAY-OFF SPOT

Georgetown Juveniles lost a heart-breaker at Milton last Wednesday night when after scoring five runs in the third inning to lead 5 to 3, Milton came back with three runs to eke out a victory. Spence started on the mound and was relieved by Herrington in the third.

Georgetown is now in third place in the league with an important game with Acton coming up tomorrow night. The kids have been playing great ball and deserve a play-off berth, so here's rooting for them tomorrow night.

Mr. and Mrs. Foreman have a family of three children, Mrs. Gordon Aitken, (Anna) of Osprey, Phyllis, librarian for the Hydro Electric Power Commission in Toronto, and A. S. Foreman, a lecturer at the School of Practical Science, University of Toronto.

The new minister at Ballinafad is Rev. O. R. Flindall who comes from Alma and preached his first sermon there last Sunday. Mr. Flindall is a native of Trenton and is a graduate of the University of Toronto and Victoria College. Mr. and Mrs. Flindall have ministered at Alma, Goldstone and Bethel and Goshen prior to coming to this district.

NORVAL EDGED BY MIMICO IN JUVENILE LACROSSE OPENER

The opening game in a juvenile lacrosse league in which Norval has entered a team was played in Norval last Friday evening and saw Mimico edge the locals 10-9 in the overtime period. Norval will play against Mimico, Weston, Brampton and Etobicoke in the league and the team includes Clark Lyons and Doug Townsend, who played for the champion Brampton Juveniles last year, Bill Laidlaw, Phil Watt, Bob Davis, Bill Cunningham, Archie Campbell and Norm, Russ and Gerry Fendley. From the Glen, are Bob Hepburn, John Haines, Ernie Thompson and Junior Beaumont, and goalie Glenn Scott is a Limehouse boy, who did a wonderful job in his first game at goal on Friday.

The game was exciting as first one team, then the other, held the lead, and the score stood 9-8 at the end of official time. With two minutes to go in the second overtime period, Mimico scored the winning goal.

Since Mimico had a couple of seniors and at least three juniors from other teams, they were a hard outfit to beat. Townsend, Haines, and Norm Fendley were missing from the Norval line-up and had they been there it might have been a different story. Clark Lyons carried off scoring honours with four goals and Hepburn and Beaumont both played a first-rate game for the Norvalites. Other scorers were Laidlaw, 2; and Campbell, Hepburn and Beaumont.

Jim Clark is coaching the team and they should go a long way in the series.
