BIRTH NOTICES

PARNELL — Mr. and Mrs. Graham Parnell (nee Irene Param) are happy to announce the birth of their daughter, Carroll Ann at the Women's College Hospital, Toronto, on Thursday, July 4th, 1946. Mother and baby doing well.

HEPBURN — To Mr. and Mrs. Vincent Hepburn on Wednesday evening, July 3, 1946, at Peel Memorial Hospital, Brampton, a son, William James. A brother for Carol Ann.

HILTS — Mr. and Mrs. Gordon Hiltz (nee Lillian Barclay) Glen Williams, are happy to announce the birth of their daughter, Barbara Elaine, at Guelph General Hospital on Saturday, July 6th, 1946. Mother and baby doing fine.

LOUTH — Mr. and Mrs. Jack Louth (nee Helena Wilson) wish to announce the birth of their daughter, Jacqueline Carol, at Peel Memorial Hospital, Brampton, on Thursday, July 27th, 1946.

MCDONALD — Mr. and Mrs. Angus McDonald (nee Maude Thornton) are happy to announce the birth of their son, David Charles, at Peel Memorial Hospital, Brampton, on Tuesday, July 2nd, 1946.

DEATH NOTICE

CAMPBELL — at her late residence, Edith Street, Georgetown, on Sunday, July 7th, 1946, Myrtle Irene Nelson, beloved wife of John R. Campbell and dear mother of Margaret, Donald and Bill in her 56th year.

IN MEMORIAM

TARZWELL — In loving memory of our dear son and brother, Sgt. George Tarzwell, Q.O.R., killed in action in France, July 9, 1944.

He proudly answered his country's call,
And gave his life to save us all;
His heart was good, his spirit brave,
His resting place a soldier's grave.
He was a son, truly fond,
A friend both kind and true,
A better son never lived,
His equals are but few.
His cheery ways, his smiling face,
Are a pleasure to recall,
There is nothing left to answer,
But the photo on the wall.
—Sadly missed and ever remembered,
Mother, Dad, sisters and brother.

ASHGROVE

Rev. and Mrs. Arthur McLaughlin of Harvey, Illinois, Miss Grace McLaughlin of Hamilton, Mr. and Mrs. Cecil McLaughlin and Lorabel of Charles City, Iowa visited with Mr. and Mrs. Thos. Giffen and Mr. and Mrs. Milton Bird last week.

Mr. and Mrs. Wilbert Brownridge of Whitevale, Ontario and Mrs. R. F. Smith of High Bluff, Manitoba, have been visiting Ashgrove friends.

Mr. and Mrs. Walter Brownridge and John and Marion Hunter attended the Edwards-Speight wedding last Saturday at the Church of the Redeemer, Toronto and the reception held in Sherbourne House Club.

The basket of lovely delphiniums brought to the church Sunday morning was in memory of the late Mrs. Henry Wilson who was a valued and much loved member.

Congratulations to the three Entrance pupils who all passed successfully.

Mr. and Mrs. Thomas Giffen attended the wedding of her cousin, Mrs. Grace McLaughlin, in Norval Presbyterian Church last Saturday.

NORVAL TIES LEAGUE-LEADING CALEDON TEAM

Those fans who waited for the power to come on Monday evening were treated to one of the best lacrosse exhibitions this season when Norval held the league-leading Caledon team to a 9-4 tie. The game didn't get underway till almost 10 p.m. due to the hydro being off for an hour.

The team had two goals apiece going into the second period and at half-time Caledon led 5-3. They added three more in the third, and it looked like curtains for Norval. However, in the last period Norval started to come back and score went to 9-8, then 9-9. Schertel missed a beautiful scoring chance just as the whistle blew. There was no score in the overtime frame.

Schertel, Jimmie Burton and Ruman each tallied two and Shropshire and Belzil one apiece for Norval. Moe Thompson led the visitors, chalking up five goals.

Norval plays host to Nortonville in their last league home game next Wednesday, July 17 and hope for a bigger crowd than has so far been out to support the team this year.

MEADOWVALE FIRE CAUSES HYDRO SERVICE INTERRUPTION

A fire in the switching structure of the H.E.P.C. at Meadowvale caused a 40-minute hydro interruption in the line which services Georgetown and Norval on Monday evening about 9:30 p.m. The circuits here were then tied in temporarily for three hours while emergency repairs were made, and the power was off for another forty minutes after midnight while the original connections were made.

—Keep in mind the Centennial Fair on September 6 and 7.

BALLINAFAD

The induction service for Rev. Flindall was held in the church Thursday evening. The service was very impressive, being conducted by Rev. A. W. Fosbery of Acton, chairman of Ballinafad Presby., Rev. J. B. Moore of Milton, Rev. R. O. Todd of Georgetown and Rev. Hare of Waterdown. A member from each of the 3 churches spoke a few words of welcome to Mr. Flindall.

Joanna Shortill is attending summer school at McMaster University in Hamilton.

A number of the young people spent the holiday week-end at Wasaga Beach.

Mr. and Mrs. W. H. Shortill and little Deborah visited with the F. W. Shortill's this week.

COUNTRY HOMES URGENTLY NEEDED

Foster homes required for boys aged eight to fifteen yrs.

School Boys could help with Farm Chores.

Won't you give our children a chance to enjoy country life?

We pay for board, clothing and medical expenses. Applications accepted from homes within a radius of thirty five miles from Toronto.

"What do you mean... I'm lucky?"

Lucky lad! Getting snagged on the wire in his effort to climb over a Hydro barrier... probably to recover a ball... may have saved his life. Some boys have not been so lucky.

Hydro energy is one of the finest things we have in Ontario to make for better living. But it can stop one from living, if you thoughtlessly give it a chance to flash through your body. Every possible precaution for safety is taken by your Hydro; but once in a while someone gets careless or "takes a chance", and tragedy strikes. A boy climbs a pole and touches a wire. Or he flies his kite near a Hydro line, and it contacts a high-voltage circuit and carries death or injury to whoever is holding it. Sometimes a storm breaks down a line and someone takes hold of the broken live wire with disastrous results. These are just examples of acts that are beyond the power of Hydro to prevent. Your Hydro can only warn of danger, and seek co-operation of parents and teachers and all who have influence with those who might expose themselves to that danger.

Hydro need never be a threat to anyone who:

1. Will not climb poles.
2. Will stay away from distribution lines and transformer stations.
3. Will keep away from fallen wires.

For your safety, in case of trouble immediately notify your nearest Hydro office. But never, never touch a fallen wire.

THE HYDRO ELECTRIC POWER COMMISSION OF ONTARIO
