CANADA IS A

Moderate Nation

Moderation is a Canadian characteristic.

It is a heritage of our people. As children, we learn moderation. As adults, we practice it. As Canadians, we are proud of it.

In spite of post-war temptations to splurge and spend, we have kept our heads. We've acted moderately... we have not given in to the natural desire for immediate enjoyment of everything and anything in short supply... and that is why, as individuals and as a nation, we are unhampered by the excesses of inflation.

We can point to a fine record. We can point to Canada's future with certainty. But, we can do this only if we continue to live up to our Canadian principles of moderation—moderation in all things.

Men who Think of Tomorrow... Practice Moderation Today!

THE HOUSE OF SEAGRAM

Teen Town Topics

by "Scoop"

Last Friday night Teen Town Hall held its third dance session in the Old Town Hall. There were over 80 caper kids cutting corners on the re-surfaced floor — and folks, the moonlight was wonderful. So was the music. Bill Millere had his vacuum tubes and amplifiers tuned to a hair and the world's greatest dance bands were really slapping out the best.

Don Parker sans camera M.C'd the session and kept the crowd in a whirl with novelty dances and trick formations. Smiles and laughter were the order of the night.

Due to production shortages the Coke Bar was inactive, but nobody sang "How Dry I Am."

Treasurer Mary Sargent reported that she paid up membership in Teen Town Hall had grown to 56 after the session.

Mayor Emery Thompson wants to know who "borrowed" the "Town" By-laws — frame and all. After the interested party memorizes same the Mayor would like to have them returned.

The next Teen Town Hall dance will be held on Friday, July 19th. Come and give the floor a whirl. There's still room for a few more couples.

Teen-Age Laugh of the Week—Scene:
Old Town Hall last Wednesday when the Teenagers were scrubbing the floor. Pails of water and soap suds provided the necessary setting or should we say wetting for one popular little miss. With her slacks rolled above her knees, bare feet — navy style — she lunged too strenuously on the slippery surface and landed on — well her two feet were high in the air. Could she get up — not until two bare footed stalwarts came to her aid. She managed to dry out by dance time Friday night.

Attend the Sports Day sponsored by the Georgetown Recreational Council.
