WITH THE ANGLERS

By G. H.
Trout fishing in nearby streams has been very scratchy lately, but a few have been taken. Most of the anglers prefer a more distant spot where their chances of obtaining a good catch is ensured. Albert Dawson, formerly of Terra Cotta, who is now living in town, creel'd a brace of nice fish a short time ago that deserves mention. One was 2 1/2 pounds, the other was 4 pounds, 6 ounces.

BASS
Charlie Hepghworth, formerly of Credit Forks, who is now living north east of Huttonville, caught an 8 pound bass while trolling in that locality. A bass that size is probably in the record class. When mounted this specimen will be on display in the Huttonville Hotel. Charlie is a very close friend of Mr. James Costigan of town.

LAKE TROUT
Art Crockett, of Toronto, who is well-known around town, as an ardent lake trout angler, has been taking some nice trout from Lake Simcoe. He reports some nice fish taken by other parties, that ranged in size from 5 to 13 1/4 pounds.

HUNTING AND FISHING CLUB
A few of the things we hope to achieve by having the club are:
Less friction between the farmer and the sportsman.
More fish in the streams.
Shooting match this fall.
Rifle Club this winter.
Social evenings that will include
