WELCOME HOME

W.O. Edgar Beene

One of the last servicemen in this district to return from overseas, Warrent Officer Edgar Beene arrived home aboard the Aquitania recently. He enlisted in the RCAF in December, 1942, and after training at Toronto, Guelph and Pingal, went overseas in May, 1944. He served with No. 420 (Lion) operational squadron and since war's end has been with No. 427 squadron which was engaged in flying troops back from Italy to England. While overseas, Edgar had the good fortune to be able to fly over his mother's old home in France. She was a war bride of the first World War, his father having served with the Canadian army in France. Edgar is married to the former Mary Dunnett of Glasgow, Scotland, and they have a baby daughter Elizabeth Marie, just one month old. They will be joining him in this country within the next few months.

DEATH NOTICE

ANDERSON—Suddenly in Peel Memorial Hospital, Brampton, on Sunday, August 4th, 1946, Elizabeth (Betty) McGuigan, beloved wife of William R. Anderson. Aged 28 years. Gloria Boyd and Ross McGillvray are holidaying with their aunt and uncle, Mr. and Mrs. Walter McGillvray at Leamington.

IN MEMORIAM

BENNETT — In memory of a loving mother, Alvira Bennett, who passed away August 10, 1945.

Remembrance is a golden chain,
Death tries to break, but all in vain;
To have, to love, and then to part
Is the greatest sorrow of one's heart.
The years may wipe out many things,
But this they wipe out never —
The memory of those happy days,
When we were all together.

Sadly missed by
— Mr. and Mrs. Wm. Bennett
and family.

SMITH—In loving memory of a dear wife, Mrs. George Smith, who passed away August 8th, 1945.

God knew that she was suffering
And the hills were hard to climb,
So He closed her weary eyelids
And whispered "Peace be thine."
Away in the beautiful hills of God
By the valley of rest so fair
Sometime, some day, I know not when
I will meet my loved one there.

—Ever remembered by her husband,
George.

SMITH—In loving memory of a dear mother, Mrs. George Smith, who died August 8th, 1945.

Oft I think of you, dear mother,
And my heart is filled with pain,
O this earth would be a heaven
Could I hear your voice again.
One year has swiftly passed away
But still I don't forget.
For in the hearts that loved you best
Your memory lingers yet.

—Ever remembered by daughter
Mary.

IN MEMORIAM

SMITH — In loving memory of our dear aunt, Mrs. George Smith, who passed away on August 8th, 1945. Nothing can ever take away
The love a heart holds dear;
Fond memories linger every day.
Remembrance keeps them near.
—Always remembered by her nieces,
Hazel Smith and Sue Cowtan

TO ENGLAND FOR VISIT**

Two Georgetown ladies are now enjoying a three-months' visit with relatives in England. The trip was made in style aboard a plane which left Dorval airport near Montreal on Monday.

She will also be visiting her sister, Mrs. William Shaw at Hampton Court, and her brother, Harry Spinks at Putney.

**"THE
KING'S HIGHWAY"**

Based upon a picture
painted for Carling's
by Fred Finley, O.S.A.

This is one of a series of illustrations on the subject of the Conservation of Canada's natural wealth designed to emphasize the fact that the beauties of unspoiled nature that we enjoy today are a precious heritage which we must protect for tomorrow.

"They Eat Out Of Your Hand"

The spotted deer of Northern Ontario come stalking cautiously out of the vast forest which is their home, to stare with wondering brown eyes at the road man has cut through the wilderness. They rub velvety horns against signposts that read "The King's Highway", and they are not afraid, for they have never even heard the crack of a rifle. If you offer them food they will take it, timidly, right out of your hand.

They are part of the vast heritage of wild life and forest beauty with which we Canadians are endowed, and in their very trustfulness is a plea for protection—against the hazards of fire—of predatory animals—of indiscriminate hunting by ourselves.

As new branches of the King's Highway open up, bringing more and more of Canada's beautiful forest land within reach of the city dweller, it becomes increasingly important that each one of us understand the laws and rules of conservation, for only by so doing can we protect and preserve our heritage.

Every Canadian, as a shareholder in Canada's natural wealth, has a vital interest in the conservation of this heritage. Conservation is not just a doctrine to be preached to hunters and fishermen. It is a vital part in the continuance of our national economy, and must, of necessity, fail if its measures do not receive the full support of all Canadian citizens.
