## W. H. REID & SON SHIP HOLSTEIN CALF BY AIR TO CUBA

The first export shipment of Canadian cattle ever made by air left Malton airport, near Toronto, on August 1st for Cuba and Puerto Rico. It consisted of eight purebred Holstein bulls, seven of them purchased by the Cuban minister of Agriculture and the eighth by a private breeder in Puerto Rico. W. H. Reid & Son, Georgetown, contributed one of the calves, all of which were high-class individuals.

The success of this flight, which resulted in the bulls being in the hands of their new owners twelve hours after the take-off, points the way to the elimination of one of the bugaboos that has beset the export trade in Canadian livestock with Latin America. Instead of a long slow journey by ship through stifling tropical heat that is extremely hard on the stock, the air method of transport reduces travelling time to a matter of hours and ensures arrival in good shape. Costs are about the same. On the return flight the cargo planes are expected to carry tropical fruits, etc.

Hays Limited of Calgary and Brampton are the firm experimenting with the air method of shipment. The cargo line is operated by a group of ex-convict pilots headed by Terry Goodwin, a veteran of 350 operational flights, who served in the Spanish Civil War, the R.A.F., and the R.C.A.F.

## BAND CONCERT DRAWS LARGE CROWD TO PARK

A band concert, jointly sponsored by the Lorne Scots Band and the Lions Club drew a large crowd of music-lovers to the park on Sunday evening to hear the music which won first place at the recent Waterloo Music Festival. Everyone spoke highly of the fine music provided by the band, under the leadership of Mr. Alfred Perrot, and predictions are that they will make a clean sweep at the 1947 Canadian National Exhibition in Toronto.

Sunday's program was as follows:

- O Canada
- Deep Harmony
- March — The Middy
- Overture — Princess of India
- Waltz — Over the Waves
- Euphonium and Cornet Duet — Ida and Dottie
- Waltz — The Merry Widow
- Hymn — Unto the Hills
- "The Shamrock" — Irish Selections
- Hymn — Abide With Me
- Regimental March
- God Save the King
- Solo parts were handled by Joe Wilcox, Harvey Cuthbert and William Long.

The concert was originally scheduled for the Lions Park beside the post office but was switched to the park to avoid the trouble of putting in lighting.

## BARNS RAZED IN FIRE AT UNION

Fire of an undetermined origin razed three buildings on the old Burgess farm owned by Howard Dolson at lot 20, 6th line, Chinguacousy, last Thursday night. The fire broke out about 11:30 at night and in a few minutes had made such headway that there was no chance of saving any of the buildings, which included a large barn, driving shed and small barn. Mr. Dolson and the neighbours managed to remove some of the implements from the shed, including a hayloader and a side delivery rake. The season's crop of hay was among the major items lost. The fire did not threaten the house, as the wind was blowing away from it. The house is unoccupied, as Mr. Dolson makes his home on the former Petch farm. Only half an hour before the fire broke out, the Dolson's had driven past on their way home from Hillsburg and found everything in order.

The loss was partially covered by insurance. No livestock was lost in the fire, coming as it did at a time of year when the stock was all in the field.

# BANKING IN ACTION

RETAILERS make constant use of banking services. In some cases these are simple but essential; the bank takes cash receipts on deposit, makes change, operates current accounts, and accepts and records used ration coupons. Other retail accounts involve considerable handling of drafts, and—a very important service—the making of loans to enable retailers to take advantage of trade discounts. All this entails Banking in Action.

The Canadian Bank of Commerce has among its customers many retail houses, from the small corner store to the large chain and department store. Strict attention to their particular needs is given to all the Bank's customers.

Use our services for your banking requirements, whatever they may be. Consult our local Manager.
