**NORVAL AND CALEDON TIED IN LACROSSE PLAY-OFFS**

**RECREATIONAL THIS AND THAT**

The Bantam Softball League ran afoul on the holiday rooks, several weeks ago and hasn't recovered as yet. All four teams involved in the play-off series have had four or five of their best players away on vacation. It was felt that the series should be postponed until each team is back to strength.

The Recreational Council Crest for this League has arrived and will be on display in the Herald office window later this week. Unfortunately the McIntock Trophy hasn't put in an appearance as yet, but when it does show everyone will agree that it was worth waiting for.

Last Thursday the Recreational Director took a group of Junior boys for a three-hour hike into the countryside south-east of town. The boys were divided into two groups which were headed by Bill Whitney and Bill Hewitt. Rivalry was very keen between the two sections and all the boys were glad to find a huge elm tree to lounge under during the lunch break. And what lunches those boys had — Ten or twelve sandwiches, cakes, cookies and fruit seemed to be packed into every box — but it all disappeared and some — believe it or not — were hungry before three o'clock.

Several more hikes are on the programme before school re-opens so watch for a notice on the old Town Hall Door.

Despite all the counter attractions the Teen Towners had an excellent crowd last Friday. The heat was terrific in the Old Town Hall, but everyone kept thinking of the cold, drafty nights to come and managed to keep slightly below the boiling point. Bill Millere's music was on the beat as usual and the gang swayed to the world's best orchestras. Novelty prizes were a bit unusual. The winners were presented with cakes of soap — believe it or not. Each cake was attractively wrapped in white tissue and tied with baby blue ribbon. You can't beat the kids, folks.
