THE SEASON'S HIGHLIGHT

1946 has seen some great days in Georgetown Park. The Lions Club, the Girls' Pipe Band, Recreational Council and the Band and Firemen have all put on big shows which have been first-rate entertainment and well supported by people in the district. Now next Saturday comes the highlight of the year when the Esqueving Agricultural Society presents its centennial celebration. The fair has the distinction of being older than any living resident with its roots embedded deep in town and township history. Originally held in Stewarttown, its home has been here in the park for many years.

This year exhibits in all classes which have been becoming better and better as the years go by, will hit a new high. Space in the armouries is at a premium and after a few dull years on the midway, a good show has been booked in that department. The unveiling of the memorial pylon, erected near the park entrance, will be a memorable feature, with the superintendent of Fall Fairs and our two county parliamentary members as well as the Ontario Minister of Agriculture on the speakers' platform.

Fingers are crossed for weather as good as has been enjoyed on all big days in the park this year, and with the weatherman's cooperation we expect to see more people in one place at one time than we have for many a year.

Here They Come --

After a successful summer season at Stanley Park and Innis Lake, Georgetown's great dance band is returning to the Rose Room of the Arena for another winter of popular Saturday night dances.
