### HORNBY

The friends of Evelyn Ball on the eighth line did a very fine thing last week when they collected money, and bought some very necessary kitchen utensils, and gathered together at the Ball Brothers' home to the number of about thirty people, and wished Evelyn a very happy future.

Mrs. McIntosh has been entertaining her brother and his wife for the past week or so, and is expecting her son from California.

Joseph and Mrs. Hollingsworth have left our community, where they have been staying with Mrs. James Bailey since they sold their place during the early part of the summer. Their immediate destination was Milton.

Mrs. J. H. Campbell, who was in the Milton Hospital for an operation for appendicitis, is back home again and feeling much better. She is in her early eighties.

Recently we called at the Taylor home on the eighth line and found Mrs. Taylor in fine health and spirits. She has passed her eighty-ninth birthday and reads and threads needles without glasses, and hears quite well. She and her daughter Ruth, live together and are interested in the church and its activities. Her sister, who is eighty-six years old has been visiting them.

Anniversaries are being announced in the United Churches here. Bethel is to be on September 8th, Hornby on October 8th, and Ashgrove on November 3rd. Services will be at eleven o'clock in the morning and eight in the evening. Special speakers and music are promised.

Your reporter saw a strawberry plant out in full bloom in his garden this week. A blight, unfamiliar to growers here has been appearing on some tomato plants causing them to wilt. Flowermen are feeling the need of rain to soften up the ground.

### Recreational This and That

by H. J. N.

On Thursday, September 19, the Recreational Council are going into the used furniture business. Why? Well, the answer is dollars and cents. We need a lot of tables, chairs and benches at the Old Town Hall in order to start our hobby and handicraft clubs. We haven't the money to buy them - So, we feel that there are dozens of old disused articles of furniture in and around Georgetown that can be salvaged. There is always that old chair that you intended to either fix or throw out - that old table in the cellar - that ancient kitchen cupboard pushed into a corner of the wood shed. These are the things we need. They may be old and shabby looking but under instruction the boys and girls of the town can make them look like new, and use them in their work at the Old Town Hall.

Not long ago, Georgetown had a very successful clothing drive for the folks in Europe. Let's have a bang-up old furniture drive for the Recreational Centre in our home town. This is another chance to have hubby clean out both the cellar and attic - and maybe the wood shed too. And while you're about it - if you should happen on some old tools, which you don't need - lend them along also. We need them badly for the kids to make this and that.

Remember the date, Sept. 19th. Furniture Drive for the Recreational Centre.

The Bantam Softball team will resume their play-offs for the McLintock trophy on Thursday after school. The Cubs and Bisons have to decide a winner in order to meet the Bears in the finals.

### SEPTEMBER 3 to 15

## Tent Meeting Advertised In Last Week's Paper in MILTON

now being held in the Town Hall, Milton

## SERVICES

every night at 8 p.m. except Monday and Sat.

### CHILDREN'S SERVICE

7 to 8 p.m. A special service for the children. - THURSDAY - Slides of the Boy Martyr  
FRIDAY - Melvir Band Quartette of Toronto  
SUNDAY - 7 p.m. Rev. and Mrs. McPherson Copeland, "The Master Singers"  
EVANGELIST - Rev. H. Woods, Secretary of South Carolina

Last Wednesday the Bantam Baseball team played their return game in Weston. It was definitely an off night for the locals as the 7 - 0 score indicates. The Weston kids played heads up ball all the way and were never in danger. Unfortunately Don Harrington had several bad sessions and walked a total of nine players and hit three for free trips to first base.

The rubber game will be held in Georgetown on Thursday evening at 8.15 p.m. The locals feel confident of repeating their initial shut-out performance. How about some support, folks.

Teen Town Hall will be closed this Friday due to the Georgetown Fair. There is still a lot of decorating to be done up at the Old Town Hall and the Teen Towners want to put some glamour into the old hall for the Fall dancing season.

The Veterans Tug-of-War team really went places at the Park on Monday, when the Band and Firemen put on their grand afternoon show. They vanquished the Smith & Stone and Hamilton team on straight pulls and are now on the prowl for tougher competition. Maybe that can be arranged - Veterans.

Don't forget September 24th. It's going to be a big night for the dancing fraternity of Georgetown. The "Lifebuoy Debonnaires" of radio fame will be in town to give off with their swing and jive specialties.

Originally it was intended to hold the show at the Old Town Hall, but on second thought it is doubtful if the old hall would accommodate the crowd. So - to the Rose Room we go. The Georgetown Lions Club are sponsoring the show for the Recreational Council and is the Council happy. Many thanks, Lions. It's a grand gesture.

Our thanks this week goes to Harold McClure and Ted McCormack for a donation of old picture frames. Picture frames? What next? Yes, folks, we use them to display stamp collections. If you have some large old frames they would come in very handy.

Another word of thanks. Early last week "Benny" Benham called me over to the car and handed out two new softballs for the teams under the Recreational Council. We needed some badly. Once again we have to thank the Lions and "Benny."
