### NEWS FROM SISTER IN HOLLAND

Mrs. W. Hiller (Elsie McLean) re-  
ceived news last week from her sister,  
Helen, in Assen, Holland, and was glad  
to learn that she and her five children  
are well. Her husband, John Hartlef  
was killed during the German occupa-  
tion and Mrs. Hartlef hopes to return  
to Canada soon to make her home.  
Mrs. Hiller sent her sister two par-  
cels last April and this is the first  
news she has had since then. The par-  
cels were gratefully received for ev-  
erything is rationed in Holland and  
clothing is particularly scarce.

### Recreational This and That

Well, the Weston Bantam Baseball  
team came out and took the rubber.  
The score was 9 - 1 and pretty well in-  
dicates the play. The local lads had  
more thumbs than fingers and errors  
were a dime a dozen. "Andy" Ander-  
son was on the mound and pitched a  
fairly good game. It was his first se-  
rious pitching attempt and he shows  
good possibilities. Jaga, the Weston  
pitcher was again on the hill and the  
local's bats were strangely silent.  
He sure dished out a mean fast curve.  
As Rocky Patterson remarked: "The  
kid has stuff." It was a good expe-  
rience for the local boys and the team  
will improve with a lot more coach-  
ing.

Teen Town Hall will be open again  
on Friday night to the musical record-  
ings furnished by Bill Milliere. Re-  
member, Teenagers! Dancing starts  
at 8.30 and ends at 12.00.

NOTICE Adult stamp collectors who  
are interested in forming a Stamp  
Club will meet in the Old Town Hall,  
on Monday, September 16th at 8.30. A  
Junior Stamp Club will be formed ear-  
ly in October.

The finals of the Bantam Softball  
League are underway. The Blues fi-  
nally disposed of the Cubs and will  
meet the Bears in a three-game play-  
off. The first game will be held at  
the Public School grounds after  
school during this week and the se-  
cond game will be played as part of a  
doubleheader at the Georgetown Park  
on Saturday afternoon when the Bus-  
nessmen take on Alliance in their  
play-off series. The Bantams start  
their game at 1.15 p.m. These kids  
have battled each other since last  
May, folks, and deserve a lot of credit.  
Come out and see some of the fun. The  
McIntock trophy and Recreational  
Council crests are at stake.

ture. Have you remembered to look  
over the attic, cellar or wood-shed. No  
kidding, we really need your help in  
order to carry on an all around win-  
ter programme. If you have an old  
chair, table, bookshelves or chest of  
drawers, get in touch with any mem-  
ber of the Council or the Director and  
transportation arrangements will be  
made. The drive will be held on Sept.  
19th — but let us know what you have  
well in advance.

Our thanks this week goes to Mr.  
Bingham of the Alliance Paper Mill.  
Due to the shortage of lime to mark  
off the baseball diamond, we called at  
Mr. Bingham's office for a quantity  
of coating clay. We came away with  
more than enough to finish the season.  
The Businessmen's baseball team al-  
so tossed in a fairly good softball to be  
used by the younger lads. The more  
equipment we have the more we can  
give the boys and girls.  
Many thanks, Mr. Bingham and  
Businessmen.

### BUSINESS LEAD ALLIANCE

After a long, double series the In-  
dustrial series have reached the play-  
downs. Last week Smith & Stone fol-  
ded before the rallying Alliance Coa-  
ters. This Alliance team has developed  
a last minute punch. In both games  
with Smith & Stone they came from  
behind in the last inning to land in  
the finals with the Businessmen. May-  
be it's the new sweaters — but what-  
ever it is the Businessmen seem wor-  
ried. Merv Robb and Company are  
talking about not taking any chances,  
even with one game under their belts.

Well, the Alliance forgot to rally  
Monday. The final score of the first  
game was 9-2 in favour of Business-  
men. Maybe it was the damp air, or  
the cut up diamond after the Horse  
Show, but both teams were definitely  
off colour. Must be the play-off lit-  
tlers. Businessmen had their big inn-  
ing in the third, when they pushed 8

runs over the plate. The ninth tally  
came when Wilson made first base on  
a hit and Evans slammed another in  
the same place. Williams duplicated  
and Wilson scored.

The second game of the five-game  
series is on Wednesday night, and the  
Alliance team think that they are  
about due to measure the Businessmen  
for the cleaners.

The third game will be played on  
Saturday afternoon at 2.30 p.m. Both  
teams look for a big crowd at both  
Wednesday's and Saturday's effort.  
We'll be seeing you.

If each Canadian family used just  
one ounce less of meat each day, the  
national saving would be over 600 tons  
of meat a week — meat that would  
find its way to those who live with  
hunger.

### PEACHES ARE ABUNDANT

This year a record crop of peaches is being harvested in Canada, says the Dominion Department of Agriculture. And Canadian grown peaches are of incomparable quality and flavor. Get them fresh in abundance, like this young lady is doing, in place of imports and pay them for their use. There's plenty available at reasonable prices.
