67 YEARS . . . . . 43 IN SERVICE

TODAY, after 43 years of service, Charlie Hoare is one of the oldest and most skilled machine tenders in the oldest book-paper mill in the country, at Georgetown, Ontario. Charlie has practically grown up with the industry, and his highly responsible position, as tender of the No. 1 machine, was only gained through his fine record of service and skill. Charlie is a quiet, unassuming man who is devoted to his family of ten. Many of his off-duty hours in summer are spent in tending his vegetable patch. In winter you'll often find him by the radio rooting for his favourite hockey team.

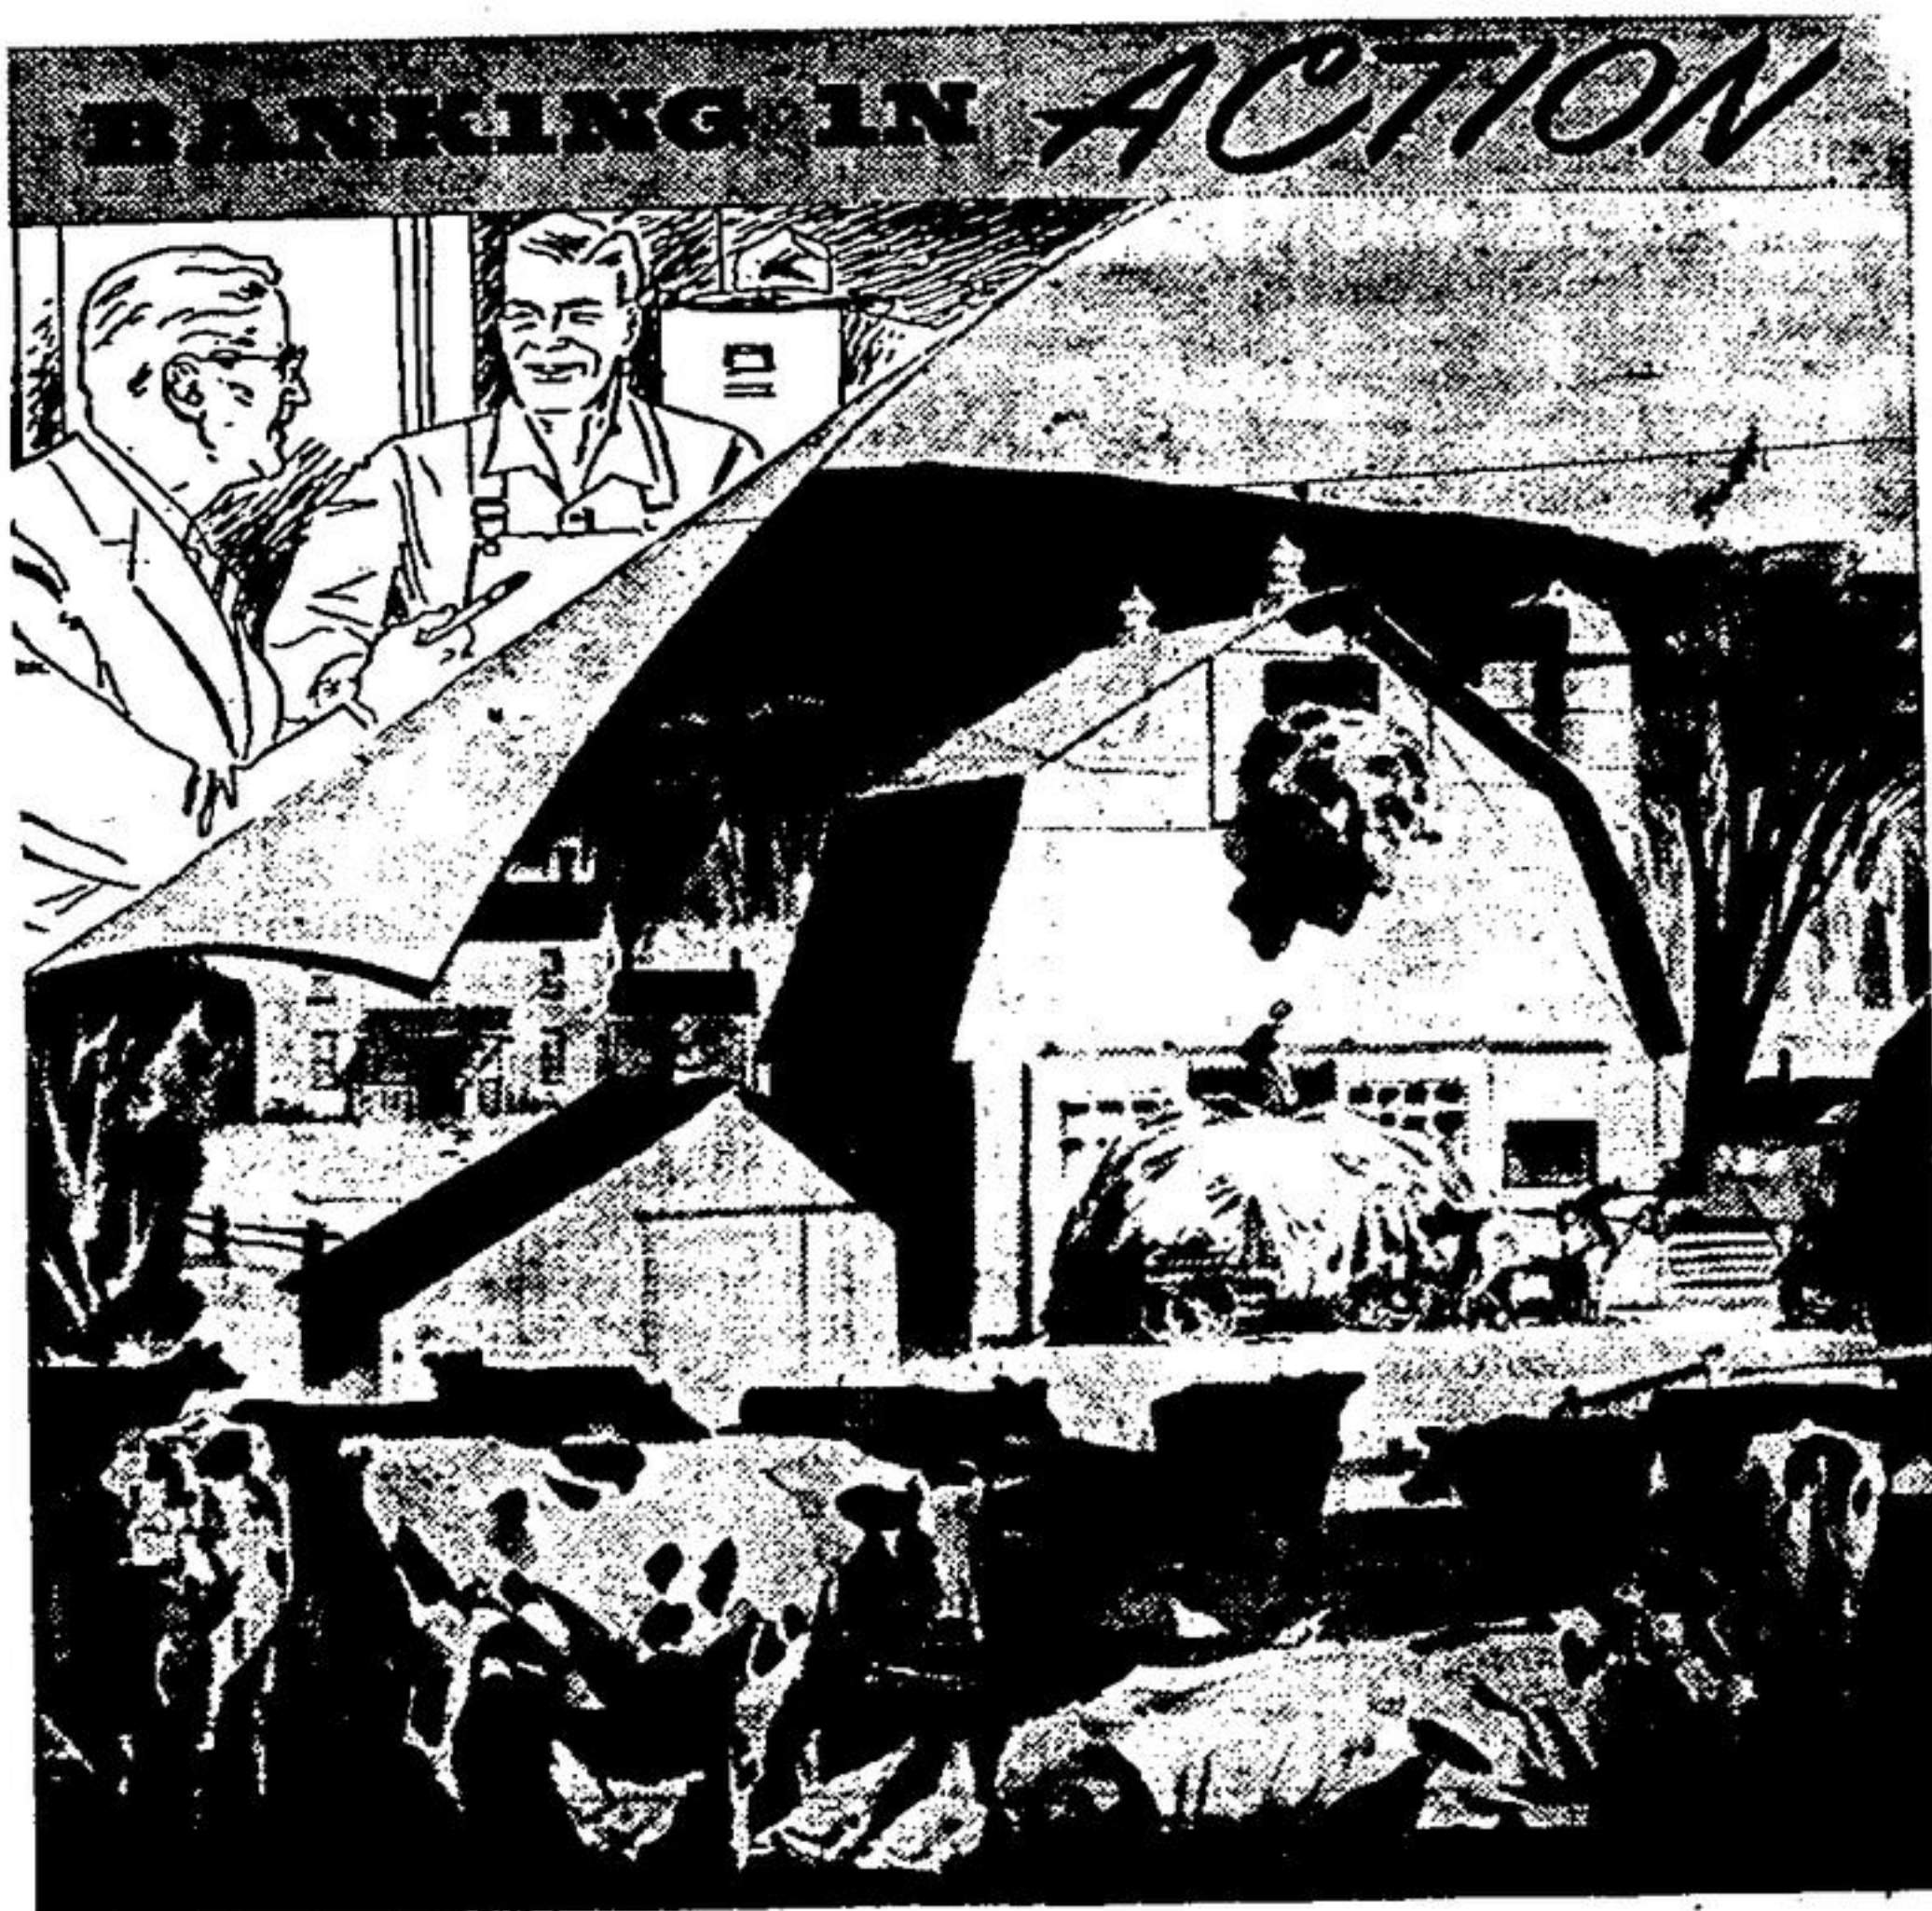

About the time that Charlie started his career in Georgetown, his brother George moved away. But paper must have been in the Hoare's blood, for George too went into the paper industry. Today George does the same work as Charlie—he's a machine tender at the company's Thorold mill.

**MR. HUTT SPEAKS TO HORNBY INSTITUTE**

At the September meeting of Hornby Women's Institute, Mr. H. L. Hutt gave a talk on "Perennial Borders and Ideal Farm Exterior." He said that very often the home surroundings tell what kind of people live there and that the outlook from a home should be a pleasant picture.

Taking the lawn as the canvas, it must be well-kept, as should the house which is the first thing we see in the picture. Then, if planting trees, plant them in groups, rather than in straight lines. As a background for flowers, use the perennial border. He said he liked to think of the border as a friendship border because it is so easy to exchange bulbs, plants and seeds with our friends. He demonstrated this by giving each lady present a package of seeds from his garden.

Twenty members and two visitors were present at the meeting, which was held at the home of Mrs. Roy Wilson. Mrs. Neelands extended a vote of thanks to the speaker for his interesting talk and refreshments were served by the hostess.

**LAWR — HALL WEDDING IN ERIN**

The nuptial vows of May Eileen Hall daughter of Mr. and Mrs. Hall, Erin, and Sheldon W. Lawr, son of Mr. and Mrs. Matt Lawr, Georgetown, were made in Erin United Church on Saturday, September 21st.

The church was decorated for the occasion with huge baskets of gladioli, each basket containing all one color of glads.

The bride wore white flowered organza with a trailing veil and a watch given to her by the groom. She carried a Colonial bouquet of red roses and white baby chrysanthemums. She was given in marriage by her father, Mrs. A. Sheppard as matron of honour was gown in pink silk jersey covered with white net and she carried a Colonial bouquet of pink roses and baby chrysanthemums.

The groom had his brother Harvey Lawr as best man and the ushers were Archie Lawr and Frank Hall.

The service was conducted by Rev. S. W. Pattison and during the signing of the register Mrs. Clayton Justice sang "I Walk Beside You".

The sun shone throughout the wedding and lasted long enough for friends to get pictures of the happy wedding group on the lawn of the church.

At the reception at Busholme Inn, the bride's mother received sixty guests, wearing a black silk jersey with flowered bodice. After the cutting of the cake Mr. Pattison toasted the newly-weds and the groom called for a toast to their attendants. Mrs. A. Sheppard and Harvey Lawr. He also asked that a special toast be drunk to his mother who was unable to attend as she has not yet returned from a visit to relatives in England.

At her home the bride after opening her many wedding gifts changed to a cerise two piece ensemble with bolero jacket and black accessories. She wore a corsage of pink roses and baby mums.

The happy couple left on a trip to Paris and Niagara and will reside in Georgetown where the groom is employed with the Provincial Paper Mills.
