Legion Notes

by L. M. U.
There will be an initiation held on Thursday night of this week. There are a large number of candidates for the ceremony and we understand the initiation team will have a busy night. We urge that all members be present, as it is rumoured that the Legion will play host that evening to one who has never failed to help the Branch when called upon. So remember, Comrades, a large attendance Thursday night, please!

Quite an amount of the steel necessary in the remodelling of the Legion Rooms has been laid and a cement floor has taken shape in the wing used as a beverage room. It is hoped that soon the new plastic floor will be started. The contractor feels that he may still have the beverage room completed by December. This would still seem to be quite a large order as the amount of work yet to be done is very large.

The entertainment convenor, Sam Tennant, tells us that due to the use of the present auditorium as a beverage room, during the alterations, the next regular bingo will be held in the Oddfellows Hall.

Comrade Mrs. T. Grieve attended the Provincial Convention of the Legion W.A. last week, in Windsor. She returned home early to welcome home her daughter A Lady Cadet Officer Audrey Sharpe. Mrs. Grieve was reappointed Zone Representative for a 6th term.

Branch 120 extend their sympathy to all those who mourn Comrade Jim Mackey who passed away recently.

MISSIONARY MONTHLY EDITOR SPEAKS TO W.M.S. GROUP

Mrs. Ernest Forbes of Toronto, editor of the Missionary Monthly, was guest speaker at the Thankoffering meeting of Georgetown United Church W.M.S. held on Tuesday, October 1st. Mrs. Forbes, who has wide experience in missionary work spoke of the wide activity in this work, with the Christian impact on the world becoming more noticeable. Teachers and nurses are greatly needed and everyone should try to recruit helpers. Mrs. Robert Jones, 2nd vice president was in the chair. Mrs. Harry

Bewell, conducted the devotional period, built around a Thanksgiving theme, in which poems by John Ozanham and Edgar A. Guest were quoted. Miss Florence Laidlaw of Norval, gave a beautiful rendition of "How Lovely are Thy Dwellings" and group singing of "Unto the Hills" closed the meeting. Refreshments and a social hour were enjoyed afterwards.

A black market racketeer was recently described in court as "of no fixed abode." Now the magistrate has fixed one for him.

CANADA UNLIMITED — The Formative Years

Scene from "Expedition Muskox" — after a painting by R. York Wilson, O.S.A., Official Government Artist to Expedition

The Last Frontier

EXPEDITION MUSKOX. Forty-five men travelling where men had never travelled before with mechanized vehicles, shattering the white silences of the Arctic with the thunder of their passing... Breaking through Canada's last frontier—3,500 miles of forest, tundra; and frozen Arctic seas.

Forty-five men pushing forward day by day over the centuries-old trails of the pioneer fur traders. From Churchill to Victoria Island in the Arctic Ocean... to Coppermine... to Port Radium... Norman Wells... Fort Simpson... the Alaska Highway.

Names,—romantic names that so closely combine Canada's past and Canada's unlimited future. Coppermine, discovered by Samuel Hearne in 1770... Port Radium, as new as tomorrow. Fort Simpson, that knew the tread of Alexander MacKenzie when he charted the

route to the Arctic in 1790... Norman Wells, storehouse of oil for Canada's future needs.

And the men of Expedition Muskox, they too combine the old and the new; the courage and hardihood of the pioneers with the skills and methods of the 20th century. They have shown us the ever-widening horizons of Canada

Unlimited—a country young, strong, confident... marching forward into a new and greater era... into a future in which we can share in a way open to every Canadian; our purchase and holding of Victory Bonds.

1846
One of a series depicting the growth of Canada as a nation, produced by O'Keefe's on the occasion of their 100th anniversary.
