LETTER TO THE EDITOR

The Editor, October 7th, 1946
Georgetown Herald,
Dear Mr. Editor,
I should like to answer the points raised by ex-G.E.A.

In saying that work is the key, does Mr. G. H. S. suggest that the present generation of students is doing less work than those of the past? If so, he has not bothered to acquaint himself with the greatly increased contents of the H. S. course in recent years. Next he talks about 'Credits' on exam results. Credits are still passed, and the Matriculation results this year at G. H. S. were among the highest in the province.

And when he talks against Student Councils am I to take it he does not believe in democracy? What does he think democracy means?

The present financial difficulties may be a reason for not building this year, but this excuse has been used for the past forty years. Parents hesitate to settle in this town, for it would mean their children would be enrolled in a school without any of the facilities they themselves enjoyed twenty years or more ago.

And as for griping, how far does he think a person would get if he just went along taking all the mud thrown at him, used the same things over and over again and never kicked about it? Mr. ex G. H. S., who is kicking now? Looking forward to your further opinions, I remain,
Your Teen-Ager,

PROFESSOR ROUTLEDGE DIED IN GLEN WILLIAMS

GENERAL
Q What are Canada Savings Bonds?
A Canada Savings Bonds are the successor to Victory Bonds and War Savings Certificates. They are your country's promise to return your money to you at any time and to pay you interest at an attractive rate.
Q Why are Canada Savings Bonds being offered?
A Because during the war, millions of Canadians learned the saving habit by buying Victory Bonds and War Savings Certificates. A recent survey shows that 82% of them want to keep on saving by a similar plan.
Q Is the Government selling Canada Savings Bonds just to raise money?
A No. Borrowing needs of the Government can be met by other types of loans. The main purpose of the Canada Savings Bonds is to provide Canadians with a convenient way to continue this kind of saving and investment in peacetime.
Q Is there any limit to the amount of Canada Savings Bonds that one person may hold? If so, why?
A Yes. There is a limit of \$2,000 for each individual, but each member of a family may hold bonds up to the limit.
Q What is the price of Canada Savings Bonds?
A 100%. That is, a \$100 bond costs \$100. If payment is not completed on or before November 15th, 1946, interest will be added to the purchase price.
Q In what denominations are Canada Savings Bonds available?
A \$50, \$100, \$500 and \$1,000.

CASHING OF BONDS
Q Can I cash my bond at any time before November 1, 1956?
A Yes, any branch in Canada of any chartered bank will cash your bond immediately at full face value, plus interest at 2 1/4%, upon your identification as the registered holder.
Q Can Canada Savings Bonds be assigned or transferred?
A They can be cashed, but not assigned or transferred. This is necessary to prevent any individual from acquiring more than the authorized limit.

INTEREST COUPONS
Q What interest is paid on Canada Savings Bonds?
A 2 1/4%—payable yearly on November 1st from 1947 to 1956, by coupon cashable without charge at any branch in Canada of any bank.
Q Are interest coupons registered?
A No. They are payable to bearer.

REGISTRATION PROTECTION
Q Why is it necessary to register Canada Savings Bonds?
A Registration gives protection in case your bond is lost, stolen or destroyed. It is also the simplest way to ensure that individuals do not hold more than the \$2,000 limit.
Q In whose name can Canada Savings Bonds be registered?
A They can be registered only in the name of one individual, adult or minor, up to the amount of the authorized limit.

HOW, WHEN AND WHERE TO BUY
Q Where can I buy Canada Savings Bonds?
A At any branch of a bank or from an authorized investment dealer, stock broker, trust or loan company—or through the payroll savings plan if this is in operation at your place of employment.
Q How do I pay for Canada Savings Bonds?
A In any of the following 3 ways:
1. By payment in full at time of purchase.
2. By monthly instalments through a bank, trust or loan company.
3. By regular deductions from pay, where employers operate the Payroll Savings Plan.
