Ahhhh!...
Canada Savings Bonds

There is still time to buy Canada Savings Bonds - but don't wait for a representative to call on you. There will be no national house-to-house canvass - these are "Serve Yourself" Bonds, so it is up to you to make sure you buy.

Buy them through your Bank, Investment Dealer, Trust or Loan Company, or through your Payroll Savings Plan. They are safe as Canada - pay good interest - and you can get your money back at any time.

MRS. WOLD TELLS OF NORWAY TRIP

Mrs. Trygve Wold was guest speaker at the monthly meeting of the Local Council of Women which was held at the home of Mrs. J. B. Macdonald on Wednesday, October 23rd. Thirty-six ladies were present and Mrs. J. Ballantine presided in the unavoidable absence of the president, Mrs. R. T. Paul. The meeting opened with silent prayer, after which Mrs. Ballantine welcomed the guests.

Miss Hettie Lawson read a letter on child welfare from the Alberta Council which requested that it be read at all Local Council meetings. Miss Lawson also read a letter on Remembrance Day, which contained the thought that no returned man should suffer for want of funds. On motion by Mrs. W. E. Nodwell, \$5 was voted to the Poppy Fund. An appeal was made for money for the Soldiers' Recognition fund and Mrs. J. B. Macdonald moved that this be left in the hands of the executive.

Introduced by Mrs. Ballantine, Mrs. Trygve Wold gave an interesting talk on a trip home to Norway from which she and her husband recently returned. She had on display some beautiful treasures she brought home, as well as pictures taken before and after the war. Miss H. A. Staunton moved a vote of thanks to the speaker for her talk. A social hour was spent and a cup of tea served.

The November meeting in the Municipal Building will have H. J. Newman, Georgetown recreational director as guest speaker.

WILLIAMS - SMITH WEDDING IN ACTON

A quiet wedding took place on Saturday, October 19, in St. Alban's Church, Acton when Mona Claris Smith, daughter of David B. Smith and the late Mrs. Smith and Mr. Albert Williams, son of the late Mr. and Mrs. Williams of Georgetown were united in marriage by Rev. E. A. Pulker.

The bride was attired in a mid-blue colored suit, brown hat and carried cream roses, heather and plumes.

The only attendants were Mr. and Mrs. T. Wood of Toronto. Mrs. Wood wore a bronze colored suit and carried a bouquet of cream roses.

After the ceremony the couple returned to the home, Guelph St., where a wedding reception was held for about fifty guests from Stratford, Kitchener, Toronto, Brampton and Georgetown. A buffet lunch was served under the supervision of Mrs. F. Coles.

The bride's aunt, Miss E. Hawthorne received in a navy blue crepe and a cascade corsage of American Beauty roses. The groom's sister, Mrs. Roy McGill, Georgetown, wore a rose colored gown and cascade corsage of yellow roses.

The bride travelled in blue coat with beaver trimmings and brown accessories. Amid showers of confetti and good wishes the couple left on a honeymoon for Hamilton, Niagara Falls and other points.

CEDARVALE
(last week)

Misses Helen and Elmeda Sim of Toronto spent a few days at the home of Mr. and Mrs. Lorne Keeler, and visited other friends.

Mrs. Gordon and Doris of Toronto spent a week with friends here.

Mr and Mrs. Robert Sim of Toronto spent the week end with friends here.

A number of cases of impetigo are in our section.

Sympathy of this community is extended to Mr. Donald Kirkwood in the loss of his mill by fire.

WINTERIZE your car NOW!

Stop at the sign of the big B-A

for Complete Winter Driving Protection

GET THIS 9 POINT "WINTERIZE" SERVICE FROM YOUR B-A DEALER

1. CRANKCASE - Drain, flush and refill crankcase with correct winter grade of B-A Peerless Motor Oil. "It's Alloyed" to give complete protection under extreme winter driving conditions.
2. CHASSIS - Lubricate the chassis with B-A quality lubricants, using the B-A Check Chart which assures the right lubricant in the right place, according to car manufacturers' specifications.
3. TRANSMISSION - Drain, flush and refill with B-A Winter Transmission Oil - assuring quick get-away in sub-zero temperatures.
4. DIFFERENTIAL - Drain, flush and refill with B-A Hypoid Gear or Transmission lubricant according to car manufacturers' recommendations - giving complete winter protection to these vital parts.
5. FRONT WHEEL BEARINGS - Remove front wheels, carefully wash bearings and repack with B-A Wheel Bearing Grease.
6. HOSE CONNECTIONS - Check radiator and heater hose and tighten all connections to ensure there are no leaks.
7. RADIATOR - Drain, clean and reverse-flush the radiator to remove dirt and scale and assure efficient operation of cooling system. Refill for the required protection with B-A Frost Cop or B-A Nevrefrez.
8. BATTERY - Check voltage and hydrometer readings and recharge if necessary. Clean and apply grease on terminals to prevent corrosion and check battery connections for wear.
9. SPARK PLUGS - Remove, clean and regap spark plugs for greater economy and better engine performance.

This winter it is more necessary than ever for you to take extra care of your car against the rigorous demands of cold weather driving. Many war-weary cars have been kept operating because of the careful servicing and top quality B-A products obtainable at your neighbourhood B-A dealer. He knows that B-A winterized protection, plus B-A top-quality gasoline, motor oils and greases, will give you an extra margin of winter driving comfort and protection. It pays to winterize your car at the sign of the Big B-A.
