LETTER TO THE EDITOR

October 29th, 1946

Dear Citizens,

This year, as in other years, the Canadian Legion, through its 2000 Branches and Auxiliaries in Canada, is calling to the people of the Dominion to observe in solemn remembrance the symbolism which has become an integral part of Remembrance Day observances, and asks that every one wear a Poppy on Saturday, November 9th, in memory of those who laid down their lives in the Great War and of those men and women who have made the supreme sacrifice in the recent conflict.

This appeal is not made on behalf of the Legion or its members, but on behalf of all ex-Servicemen who are in need. The collection and administration of the Poppy Fund has been entrusted to the Legion, but this doesn't mean it is part of Legion funds. It is kept entirely separate and is not even treated as a part of the relief fund. It is rather considered as a trust fund, which the Legion administers for the benefit of all ex-servicemen. In granting relief, members of the Legion receive no special preference but all ex-Servicemen stand on an equal footing. Any man who has served and who is in need, has a claim. The poppies and wreaths which you will be asked to buy are made by an organization of disabled ex-service men. These men are absolutely incapable of earning a living in any other way, and but for this industry, would be a charge on the public funds. If Poppy Day did nothing but keep these men self-supporting and self-respecting citizens, it would still be worthwhile.

The organization of Poppy Day, the sales of wreaths and poppies, the handling of monies collected, the investigation and relief of all applicants, are done by voluntary workers. No man or woman connected in any way with this receives one cent as wages, salary, bonus, commission or allowance for expenses. All monies collected are placed in a special account which is controlled by a Board of Trustees of this Branch. Every expenditure made is approved and every account checked by the Board. Every applicant for relief is investigated carefully but sympathetically. Relief may take the form of food, clothing, fuel, rent or medical as-

stance. It is practically never issued in cash.

One million, seven hundred and fifty thousand citizens of Ontario wore a Poppy in Remembrance last November. 5,000 wreaths were placed in Churches and at Memorials in honour of the dead.

Every man, woman and child in Ontario is expected to wear a Poppy on Remembrance Day.

Should any of our friends desire further information in connection with Poppy Fund activities, our Branch secretary will be glad to supply it. The Canadian Legion is grateful for the hearty support they have always received from the general public to make the lot of the distressed ex-serviceman easier, and it is our hope that there will be no partial or permanent black-out for them.

BALLINAFAD

Ballinafad Farm Forum met for the first of the 1946 - 47 series on Monday at the home of Mrs. Donald McLean, where a lively discussion occurred on "Are Farm Living Standards High." A discussion on the Group Hospitalization Plan also took place at the meeting. Clarence Snow was elected convener for the year and Mrs. Jesse McEwen secretary. The group will meet next Monday at the home of Mr. Etwood Snow.

Week-end visitors with Mr. and Mrs. A. Irvine included Mr. and Mrs. H. Bowles, Mrs. F. Wylie and Mr. Wm. Irvine, all of Toronto.

Mr. and Mrs. A. Irvine have returned from a visit with friends in Detroit, Mich. While there they attended their granddaughter's wedding and reception.

Mr. and Mrs. J. W. Snow have returned after a two month vacation in the western provinces.

Anniversary services will be held in the Ballinafad United Church Sunday Nov. 3rd. Rev. Dale of Barry Hill will be the guest speaker. Special music by the choir assisted by the Hillsburg quartette is planned.

The October meeting of the Aux. W.M.S. was held Sunday evening, Oct. 27. The lantern slides on India were educational and interesting for those studying India this year. The

Mission Circle had charge of the devotional exercises. An item on Temperance by Mrs. F. J. Shortall and exercise by the Mission Band made an interesting programme.

The October meeting of the Auxiliary was held at Mrs. Frank Smith's Wednesday afternoon. The topic, 2nd chapter of the study book was made interesting by Mrs. F. J. Shortall. The next meeting will be the 4th Wednesday afternoon of November at the home of Miss B. Hills.

Mr. Jas. Kirkwood the village miller is extra busy just now. Since his brother's grist mill was burned in Erin, many of the farmers from Erin district are bringing their grain to Ballinafad to be chopped.

ENGAGEMENT

Mr. and Mrs. Matthew Lawr wish to announce the engagement of their daughter, Betty Anne to Mr. Roy Piper son of Mr. and Mrs. Abel Piper of Huttenville. The marriage to take place the latter part of December.
