MERCHANTS PREPARE FOR CHRISTMAS SHOPPING

With Christmas only six weeks away, Georgetown Stores are beginning to take on a festive air, as gift merchan-

dise finds its way onto the shelves. Many items missing during the war years are back on the market, but a word to the wise — it still pays to do your Christmas shopping early for quantities are limited.

Only

The Globe and Mail brings you "ON-THE-SPOT" reporting from the capitals of the world through exclusive NEW YORK TIMES FOREIGN NEWS SERVICE

By cable, telephone, short wave radio, 54 foreign correspondents of the famous New York Times staff bring the world's news to you every morning in The Globe and Mail. And this extra coverage of world news is only one of the extras you enjoy.

HORNBY

One of our friends purchased a hearing aid recently, and in getting used to it had to try various strengths of the battery. Sometimes it was too loud and brought to her ear even the swishing of her dress, and sometimes it was not quite loud enough. Finally it seemed to settle down to what seemed like a congenial attitude, and it seemed as though adjustment had been made to perfection. However at night when she was getting ready for bed she discovered that she had not had the ear-plug in at all, and during that part of the day when it did its best work it had been quietly resting inside her dress. Now who wouldn't have one?

A week ago last Saturday twelve men left the Hornby Station on a hunting trip up north. Each had considerable equipment in the way of food, and other supplies and a good deal of expectation for a safe and happy trip, with plenty of venison to bring home.

On the same day some friends of Mrs. Frank Ford answered an invitation to her home for the noon meal and a friendly visit. Among those present were Mrs. H. Turner, Mrs. John A. Ford and Mrs. Fred Ainsworth. Mrs. Ford has quite a number of very fine chrysanthemums in full bloom, also has some very fine oil paintings she has done. These were appreciated by the guests.

Carman Cantelon came away from the Streetsville Fair with three prizes tucked under his arm. He received a first in Public Speaking, a second in the Musical Contest in which there were fourteen other contestants and a first for the best essay written on Mr. W. O. Brownridge's agricultural float, in the High School class. That's a rather remarkable thing for a young man in his first year of High School to be able to do. Carman's future should be very bright.

The Bethel United Church W.A. and W.M.S. met at the home of M. S. C. W. Simpson on the sixth line on Wednesday afternoon last. Plans were made for the coming Bazaar and the guest speaker announced. A nominating committee was appointed to bring in a slate of officers for the coming year for both societies to be voted on at the next meeting. Mrs. Oscar Clifton led the devotionals reading the Twenty Third Psalm and some comment on it. Mrs. Jas. Ball gave a short reading on "Being a Christian in Everyday Life". Mrs. Percy Merry read a letter from Charles Newton a student missionary in the Islands of the St. Lawrence. Miss Lella Featherstone gave a resume of a missionary address given recently by Mrs. Toombe, a missionary to India, and Mrs. Clarence Ford sang a solo. Refreshments were served by the hostess.

The Hornby United Church W.A. had their get-together at the home of Mrs. Fred May on Thursday afternoon last. The coming Bazaar was discussed and the date fixed for early in December. Committees and booth managers were appointed. It was brought out that special skill and ability would be required to produce candy in sufficient quantity to make it worth while; but there were those optimistic enough to think that this could be done. A quilt was quilted as the women chatted together, and at the close a delicious lunch was served by the hostess, assisted by Mrs. Edgar May who will have the next meeting at her home on the base line.

MILK COMMISSION STARTS NOVEMBER 18TH

The Hon. Mr. Justice Dalton Wells, Commissioner appointed to enquire into the production and distribution of milk in the Province of Ontario, stated today that the Commission would commence its sittings on the 18th November, next. The Commissioner proposes to sit first in the City of Toronto and to deal first with the history of the relevant legislation and control of milk and milk products and the operation of the Milk Control Board. Representations from interested parties in the Toronto Area will not be heard at these preliminary sittings, but a further opportunity will be given at a later date after the time for filing representations has expired. A formal announcement, which was published throughout the Province, called for briefs to be submitted to the Secretary of the Royal Commission at Osgoode Hall by the 21st November.

The Commissioner plans to sit in various Ontario centres selected with a view to giving the fullest consideration to any special local conditions. Tentatively, the plan is to sit in Hamilton, London, Windsor, North Bay, Port Arthur or Port William, Ottawa and Belleville. The final public hearings will be held in Toronto. This itinerary has not been finally settled and will, of course, depend to some extent on the briefs which are submitted.

The Commissioner emphasized that the enquiry had been authorized to conduct the fullest and most complete investigation in this matter of great public concern and hoped that all interested parties would take full advantage of the invitation to submit representations on relevant facts to the Commission.

BALLINAFAD

The Mission Circle met last Friday evening at the home of Miss Lillian Shortill with the president Miss Joanna Shortill in the chair. Mrs. Lena Swindlehurst had charge of the devotional exercises. Mrs. O. K. Flindall gave a very interesting topic on "Marriage and Home Life" after which she

led a discussion.

Remembrance Day Services were conducted in the church Sunday morning with Rev. O. R. Flindall in charge. At the close of the service the National Anthem was sung as a prayer.

Miss Paisley of Erin spent the week-end with Jean Sinclair.

We are glad to see Floyd Shortill around again after being confined to

the house for two weeks with an attack of tonsillitis.

Congratulations to Mr. and Mrs. Ross Huxley (nee Florence Sinclair) on the birth of their daughter Saturday morning last at a nursing home in Aton.

A number from this congregation attended Anniversary Services in Erin United Church on Sunday.
