ember 16th, to enjoy one of the finest Christmas Entertainments that have been given here for some time, It was in charge of Miss Jardine the school teacher, with Mrs. W. H. Clements of Milton at the pisno. The performers were the pupils of the Hornby school. To the right of the platform was a good sized Christmas Tree, nicely decorated and lit up, while other decorations, including Santa with his outter and reindeer, brightened up the schoolroom. Different coloured footlights added beauty to the scenes. The performance began with the singing of the "Night Song" and "Fairies" in the secret of the curtained stage.
