WHERE NEXT, TRAVELLERS?

Gordon Sinclair and 4000 Savings — This Friday it's Georgetown when their show will be broadcast from the Old Town Hall at 9 p.m.

### ASHGROVE

The Public School Concert was held in the school-house on Thursday evening, December 19th to a capacity house. Recitations, Drills and Dialogues were well given by the children and the Musical Revue made a fitting closing number and then Santa Claus appeared to distribute the gifts and treats. Miss Keah and her pupils are to be congratulated on their work and efforts that made possible such a splendid evening.

Congratulations to John and Marion Hunter on the birth of their second daughter.

Wishing you all a merrier Christmas and a happier New Year than ever before.

### TERRA COTTA

Mr. W. F. Hunter, we understand, has sold his property better known as the Credit Flats to Mr. Gilchrist of Toronto, who intends keeping it for private property. Real estate is still in the move in our market and there are a number of property transfers on the tapes. Further particulars later.

Among those having hydro installed in their residences are Mr. Wright, Mr. Hogg, the Misses Wright, Mr. Henderson and Mr. Zimmerman. Let there be light!

Master Stewart Puckering of Toronto spent the week-end with Terra Cotta friends. Stewart still maintains that Terra Cotta is good enough for him.

Mr. W. J. Rutledge reports doing a rushing trade in gravel at present. Success to you, Wesley.

We are sorry to learn that W. F. Hunter is on the sick list at present and we hope soon to hear of his complete recovery.

Mrs. Petch, who spent a few days with friends in Toronto, has returned home.

The 5th Line school concert was excellent and Miss Hutchinson and her pupils deserve great praise for their efforts.

Your correspondent joins in wishing the editor and the Herald staff and readers a very merry Christmas and a happy and prosperous New Year.

### LIMEHOUSE

The Limehouse Women's Institute sponsored a community Christmas party in the Hall Friday evening, which was a decided success. The early part of the program was taken up with active games for young and old, followed by carol singing. Mesdames H. Norton and J. Roughley also rendered a lovely piano selection "Chapel Chimes". Santa Claus arrived to distribute gifts, purchased by the W.I. to all the children of the Limehouse community. Santa requested "O Canada" before he departed. The committee then served the lunch and Limehouse Orchestra and Mr. R. L. Davidson took over for the dance which followed.

During Sunday's services conducted by Rev. C. O. Cochrane at the Limehouse church, Mrs. Roughley played an instrumental "Trinity Chimes," which was quite appropriate. Three little boys, Neil Benton, Ross Norton and Bert Benton sang "While Shepherds watched their Flocks by Night" with decent.

Mr. Sid Kirkpatrick has been laid up with wrenched muscles the past week. We hope for his being out quite soon.

Mrs. Joseph Brooks is ill in Guelph General Hospital. We hope for her speedy recovery also.

Mr. Alex Wright was home from Toronto during the week-end.

Miss Mary Kirkpatrick, nurse-in-training at Guelph General Hospital was home on Saturday.

Miss Doris Mitchell is home from Toronto Normal School for the holidays.

We hope to see Mr. Robert Coulter home from Christie Street Hospital soon. He has been there for several weeks following an operation.

We wish the editor, his staff and all the readers of the Georgetown Herald a Very Merry Christmas.

### CARD OF THANKS

Mr. and Mrs. Frank Lorusso would like to thank the neighbours and friends for the presentation and party in their honour last Wednesday.
