NEW HORIZONS IN Canada Unlimited

YOUNG MAN WITH A FUTURE

Maybe he'll be a publisher or a manufacturer . . . a great hockey player or a famous scientist. But one thing is certain. Whatever he turns his hand to in the Canada of his future, his opportunities outrank those of his fellows in any country in the world!

For Canada is going places. Her greatest development is to come. Her resources, her possibilities, hold the key to the future . . . a future in which new ideas, new materials, new techniques will offer a scope for talent and initiative unparalleled in the past.

Canada's Youth senses the challenge and the opportunity. It is ready to go. All it needs is imaginative leadership in government and industry to clear the way . . . to chart the course and start the march to those New Horizons which beckon today in Canada Unlimited.
