**HIGH SCHOOL NEWS**  
by L. McB.  
It's 1947 but it's still the same school for G. H. S. Anyway, we have some happy days and one of them was our Christmas concert with each form putting on entertainment. The best, we think was 4th Form's radio play, with quiz-master Ron Latimer wandering through the audience. A new school song originated, words of which will be supplied on request by your columnist. Gifts handed out included such items as rat and mouse traps, soap, rattles, animals, fodder, toilet paper and ex-lax.

One of our well-known students received a book on muscle power and after following instructions during the holidays he comes to school wearing a red union suit a la Captain Marvel.
