The young children in care received gifts of books through the Society at Christmas and by acknowledgements already received, were most appreciative. The Society would like here to express their appreciation to the many foster parents who did their utmost to provide a Happy Christmas for the children in their homes.

At the end of the year the Society had in boarding homes, free homes, wage homes and adoption probation, a total of 102 children in care and under direct supervision.

With the changing times, child placement is becoming more difficult. While there is a steady demand for infant children for adoption, greater than can be filled at the moment, it is extremely difficult to find suitable homes for older children of school age. The interest and support of the public in this very worthwhile work is solicited. At present a home is

Lived Here For a Year, Marries in Australia

Her friends in town will be interested to learn of the marriage in Australia of Mrs. Ethel Lowden to Tom Fawcett of Pennant Hills, Sydney. The wedding took place on Tuesday, December 3rd, at Parramatta.

Mrs. Lowden, a native of Sydney, New South Wales, went to the United States with her husband shortly before the war and after his sudden death in that country she was unable to obtain passage home. She came to Canada and after working in a St. Catharines war plant, moved to Georgetown in 1946 and took a position in the Assembly Department at Smith & Stone, Ltd. She made her home here with Mr. and Mrs. J. Farmer. Last April she finally was able to get a reservation on a boat bound for Australia and sailed from San Francisco for her homeland.

NEW HORIZONS IN Canada Unlimited

MAYBE HE'LL PLAN YOUR NEW HOUSE...

... the house of the future ... the house that crystallizes all your notions of what a house should be! Maybe he'll rear a mightier power plant ... a more beautiful skyscraper ... a church such as Wren could only dream of ... a community where Canadians of the New Age can taste life more fully.

The stuff of such things, the brains and energy to shape them, are the heritage of all Canadians. And Canada's Youth is on tiptoe, girded to meet the challenge of Tomorrow.

Youth needs only encouragement ... active leadership in business and public affairs ... to loose its energies, spur its ambitions, and swing wide the gates of opportunity. Given that, the path stretches bright and clear to New Horizons in Canada Unlimited.
