ASHGROVE

Away on into February
Nothin' ever made me madder
Than for Pop to stomp in layin'
On a extra fore-stick sayin'
Bear was out and seen his shadder.

Yes! The Bear would see his shadow on Sunday and we can expect six more weeks of winter, so ladies don't put away your fur coats yet as you will need them.

Our Young People attended the Firewise Service in Acton United Church last Sunday evening with Miss Viola Brighton as soloist.

We are glad to see Mr. Frank Wilson out and around again after his accident some time ago. We notice he is back at the steering wheel once more. Keep it up, Frank.

Congratulations to Mr. Hector Bird who has accepted the position of school trustee of the Township School area. We know he will do his duty faithfully and well.

Clouds of snowflakes hurry down
O'er homes in the country,
And homes in the town.
In sheltered spots, on high hills bleak
Or kissing the school boy's rosy cheek
Silently it falls — yet swiftly sure
Till every unsightly thing looks pure.

LETTER TO THE EDITOR

Glen Williams, Feb. 4, 1947
Dear Sir:
Our lower-end inhabitants were very pleasantly surprised last Friday night, when the snow plow came through and relieved the terrible conditions then existing, on our side-roads.

To our councillor who was responsible for this great act, we all say "Thanks a million!"

Could not a plow for this purpose be housed in this neighbourhood, so as to be available when required? It would give more prompt service and end the necessity of so much shovelling on the part of our good citizens.

If we can be cared for this summer in connection with the weed situation we shall indeed feel that we have someone at last, who is looking after our interests.
