### Henry Wilson Was Lifetime Ashgrove Resident

After a short illness, Mr. Henry Wilson, a lifetime resident of Ashgrove community, passed away at the home of his daughter, Mrs. S. S. Breckon of Norwood, on Sunday, February 16. He was in his 84th year.

The late Mr. Wilson was the second son of the late John Wilson and Hannah Castle, and was born August 19, 1863, at Ashgrove, on the farm on which he had worked so industriously for nearly four years.

In 1891 he married the former Ida Tansley, who predeceased him four years ago. Mr. Wilson always took a keen interest in the events and activities connected with the progress of the neighbourhood and was a past president of Equestrian Agricultural Society. He was a member of St. John's Church of England of Stewarttown but of later years had attended Ashgrove United Church.

The funeral services were held on Tuesday, Feb. 18th, at 2 p.m. from the McChure Funeral Home, Georgetown, and were conducted by the Rev. E. E. Pugsley of Norwood United Church. Mrs. H. C. Wrigglesworth of Georgetown rendered a solo at the service.

The floral tributes and the large number of friends and relatives present indicated the esteem in which Mr. Wilson was held. Pallbearers were former neighbours: Messrs. Fred Morrison, Wm. Alexander, Daniel Wright, Graydon Chester, John Ismond, and John Bellbody. Interment took place in Hillcrest cemetery, Norval.

Surviving to mourn his loss and cherish the memory of a devoted father are one daughter Leona (Mrs. S. S. Breckon of Norwood) one son, J. Guy Wilson, Ashgrove, and six grandchildren, also one brother, John Wilson of London, Ontario, three sisters, Hannah (Mrs. John Bussell, Toronto), Elizabeth (Mrs. Robt. Fox, Milton) and Lillian (Mrs. Thos. Fisher) of Georgetown.

### VALENTINE PARTY FOR NORVAL INSTITUTE MEETING

The February meeting of the Norval Women's Institute was held at the home of Mrs. William Reid, one week later than schedule, taking the form of a Valentine Party on February 14. Guests including members of the Georgetown, Ashgrove and Stewarttown Institutes, were received by Mrs. Reid and Miss Agnes Reid. Winners at euchre were Mrs. Frank Treich, Georgetown and Mrs. Arthur Wilson Ashgrove.

A tea, appropriate for the occasion, was served by the refreshment committee convened by Mrs. Frank Pendley and assisted by Mrs. C. Moreton. Mrs. W. T. Sinclair, on behalf of the visitors, thanked Mrs. Graydon Chester, president of the Norval Institute and members for the lovely time enjoyed by them.

The March meeting at the home of Mrs. Walter Fidler will feature as part of the program a history of Norval prepared by Mrs. E. C. Reed (nee Marion Noble), a native of the village.

### CARD OF THANKS

Until I have a chance to say 'thanks' personally, I would like to express my gratitude in this way to the neighbors and friends who did so much to help after fire damaged my home, and to the Fire Brigade for their good service — Rita.

## THE LATEST, GREATEST Plymouth

You must come in — and see it and drive it, to appreciate what a truly fine automobile this latest, greatest Plymouth really is!

Chrysler Engineers have refined and improved the new Plymouth in thirty-two different ways. Some of these changes and improvements are big, like the new-design hydraulic brakes which have still more stopping-power with 25 — 30% less pedal pressure. Others are smaller, such as improving the accelerator pedal linkage to prevent sticking thereby insuring smoother performance. But all these thirty-two changes and refinements add up to a still finer Plymouth; to greater motoring satisfaction and pleasure for you! Come in. See it. Drive it — the latest, greatest Plymouth!

## NEW WORLDS TO CONQUER...

Today, perhaps, he's whetting his skill, with deep pride of craftsmanship, on a model airplane . . . shaping a thing that symbolizes his longing for a man's strength, a man's freedom.

Tomorrow, he may be riding the winds in a real plane . . . charting new ways into Canada's Northland, topping the mountains of the West, bridging the ocean in a trifle of hours . . . with other lives dependent on his skill and judgment.

In whatever field his fancy ranges, marvellous things await him in the Canada of Tomorrow. Provided only he is offered the stimulus to ambition, the open door to achievement, which wise statesmanship and enterprising leadership alone can provide. These only are needed to start him on the march to New Horizons in Canada Unlimited.

### FIFTY - FIFTY CLUB

Last Wednesday the meeting took the form of a sleigh-ride down the eighth line and perfect weather was enjoyed.

None of the members could lay claim to a full ride as each found themselves either pushed or pulled off at some stage of the ride. Careful note was taken of the more active members of this push - pull art and next time there is a piano to be moved or some heavy work to do the club will know exactly who to go to.

The devotional period took place afterwards in the United Church basement and a bunch of hot mushrooms and tea biscuits was served.

The next meeting will have as convenors Mr. and Mrs. Frank Whitmee and Mr. and Mrs. Ken Richardson.

### DAY OF PRAYER SERVICES AT KNOX CHURCH

A good number of ladies attended the World Day of Prayer service last Friday afternoon which was held this year in Knox Presbyterian Church. Mrs. A. E. Cameron was special speaker giving a talk on India. Those who took part in the service were Mrs. Syd MacKenzie (St. George's) Mrs. A. M. Nielsen (United), Mrs. A. Roeve, (Baptist) and Mrs. W. T. Sinclair, (Knox). Mrs. Campbell Sinclair was pianist, and special music included a vocal solo by Mr. Alfred Tost, with Mr. Kenneth Harrison as accompanist.
