Rural Youth of County Arrange Instruction for Voters

A definite programme of Citizenship Training is being undertaken by a committee set up by the Halton County Junior Farmers.

At the February meeting of the directors of this organization, a brief was presented by the President, George S. Atkins, emphasizing the need for such a programme. Firstly, because very few people who come of age each year know the functions of government and understand the duties of public officials, they often fail to realize the newly acquired responsibilities they must shoulder and the duties characteristic of a good citizen. Secondly, because, since there are concerted efforts on foot to instill non-democratic ideals in people who fall easy prey to them, some definite aggressive programme must be undertaken to build up an immunity to such destructive force.

The programme, which will be carried out during the month of March by the Citizenship Committee of the Halton County Junior Farmers, will consist of a series of five meetings, held concurrently at three places in the County, to which will be invited for this year, all young people who are between the ages of 20 and 25. Any others who are interested may attend the courses, including any New Canadians who wish to avail themselves of this opportunity.

At the conclusion of the courses, a suitable "citizenship induction ceremony" will be held at which these new voters will be formally recognized as citizens; they will take an oath of allegiance to their country and will be presented with certificates of citizenship to mark their coming of age and to impress upon them their new responsibilities and duties as Citizens of Canada.

In succeeding years, it is planned to cater mainly to those young people who will be coming of age before the date of the final "citizenship induction ceremony," as well as any New Canadians who will have become naturalized before this date.

The three series commenced this week at Palermo, Ashgrove and Lorne schools and will continue once each week throughout the month.

The committee in charge of arrangements for this programme, chaired by George Atkins, includes Helen Spencer, Palermo; Carlo Toccalino, Freeman; Marjorie McReady and Cedric Harrop, Milton; John McNab and Betty Raddell, Ashgrove; Edna Atkin and Gordon Leslie, Acton.

Elmore Philpott, Vancouver Sun columnist, who is widely known as a radio commentator on C B C broadcasts.

UNITED CHURCH SUNDAY SCHOOL PARTIES

On Saturday afternoon, February 15 the Beginners and Primary departments of the Sunday School were entertained to a program of organized games, followed by a hearty supper which the children enjoyed to the full. The afternoon was arranged by the teachers, Mrs. R. Broomhead, Mrs. John Tapp, Misses Marjorie Kentner and Isobel Dobson, assisted by Mrs. Todd and Mrs. Wrigglesworth.

On Wednesday evening, Feb. 26th, the Junior, Intermediate and Senior departments of the Sunday School were treated to a hot supper served at 6.15 by the ladies of the Women's Association. After some hearty singing by the group the remainder of the evening was spent playing crokinole.

The winners in the crokinole were: Girls: Kathleen Cox, Joan McDougall, Dorothea Lane; Boys — Clare Burns, John Whitney and Billy Whitney.

This evening's entertainment was in charge of the superintendent, H. C. Wrigglesworth, assisted by Rev. R. C. Todd and the teachers of these de-

CARD OF THANKS

The family of the late Mrs. Leonard Lambert would like to thank friends for the kindnesses rendered at the time of their sad bereavement.

PUBLIC SCHOOL NEWS

The School year is once more well over the half-way mark with just one month to go in the winter term. As usual the pupils have enjoyed the fun on the hill behind the school, but the outdoor rink was quite disappointing due to unusual weather conditions.

However the free skating at the arena after school was used to full advantage by the pupils and we appreciate the kindness of the arena board in giving the boys and girls this opportunity to skate. Many of the boys have enjoyed the Bantam and Midget hockey arranged by G.R.C.; also the Public School has met the High School in two hockey games. The first game resulted in a win for our boys, but in the second game the H.S. fellows earned the score.

Corporal Colman of the RCMP, has visited the school every Friday evening during the term and delighted the staff and pupils with his talks on Citizenship. He already has made four visits to our school, accompanying some of his lectures with moving pictures and we look forward to having him two more times.

Our new Bell and Howell movie projector purchased by our Board has arrived, and was introduced to the student body last week with a film on Alaska. We look forward to much instruction and enjoyment from our new machine.

We are glad to be able to report a very successful paper collection — somewhat over six tons of paper being handled at the school, the net returns from sale of which was \$65. Already we have purchased new tumbling mats for gym work and instruments for a Rhythm Band. Donations to worthy causes from the school will be decided upon later.

In Lonely Outposts

Your RED CROSS help is needed!

In frontier districts of Canada the nearest hospital or doctor may be a hundred miles or more away. Over twenty years ago the Red Cross began establishing outpost hospitals and nursing stations in these remote regions. Today a whole chain of Outpost Hospitals can be found in the frontier districts of the Dominion. They bring medical science within reach of these isolated communities. Hundreds of thousands of patients

have been treated in these tiny hospitals, including thousands of confinement cases. These hospitals also serve as health centres for their communities, carrying on medical inspection in the schools and organizing clinics for the children. Your help is needed to maintain and expand this vital work. Stand behind the Red Cross, and help bring medical aid to your fellow-Canadians pioneering on Canada's frontiers. Give NOW . . . give generously.
