**BLOOD TRANSFUSIONS FREE TO ALL**

**GIVE to make this possible**

● To save the lives of our Canadian fighting men in action during the war, thousands of Canadian civilians gave their blood to the Red Cross. But in peace, too, Canadians die when a blood transfusion would save them. Whole blood and plasma are in short supply... in some parts of Canada there are no facilities at all for an emergency transfusion.

In order to save the lives of Canadian men, women and children, the Red Cross is establishing a Civilian Blood Transfusion Service. By a system of voluntary blood donations, the Red Cross will supply every hospital in Canada with whole blood and plasma. Any patient in need of a transfusion will receive one, free of charge.

Your help is needed to support this and other valuable Red Cross services. The Red Cross needs money... your money... Money to maintain Outpost Hospitals... to help correct the deformities of little crippled children... to maintain Red Cross Lodges, where next-of-kin of disabled veterans may visit their loved ones... to bring relief in time of disaster. All these things the Red Cross does... won't you help them keep up the good work?

**CANADIAN + RED CROSS**
