## EDNA AITKENS NEW PRESIDENT HALTON JUNIOR FARMERS

The annual meeting of the Halton Junior Farmers held in Milton on Saturday evening, March 1st, brought to a close the most active year in the history of the organization. The retiring president, Geo. S. Atkins and his fellow officers of the county executive are to be highly commended for the outstanding job performed in the past twelve months. Neither time nor effort has been spared. It would be impossible for your editor to enumerate all of their activities, but a few of the highlights include the following: (1) an inter-club debating league with all four clubs participating; (2) an inter-club softball league and field

day; (3) a full representation from all clubs at the Ontario Junior Farmer Conference at Guelph; (4) two of their number were sent to leadership training conferences; (5) a Junior Farmer Plowing Match; (6) a Live Stock Judging Competition and Achievement Day for Halton Junior Farmers; (7) an inter-club Public Speaking Competition; (8) an inter-club hockey league; (9) a Junior Farmer Seed Judging Competition; (10) the inauguration of a series of meetings at three different points on "Citizenship" and (11) we must not overlook the "At Home" held in the Brant Inn which visitors voted the finest party of its kind ever staged by a Junior Farmer organization. Many other activities might be men-

tioned but we feel we have touched on sufficient to indicate the multiplicity and diversity of their program. Incidentally, plans are now under way for their second "At Home" at the Brant Inn.

The election of the officers for the ensuing twelve months resulted as follows: Past President, Geo. S. Atkins, Bronte; President, Edna Aitkens, Acton; 1st Vice President, Cameron Wilson, Milton; 2nd Vice President, Ismay Kean, Georgetown; Secretary, Gordon Leslie, Acton; Treasurer, J. E. Whitelock, Milton.

## BOND CLOTHES

says Elmer Ferguson, Sports Editor of the Montreal Herald, and well-known member of the Hot Stove League on National Hockey Broadcasts.

"A sports seer can't always be right when he's calling a hockey race. But it's easy to look right... if you wear Bond tailored-to-measure clothes. They fit just the way a double-column sports scoop fits the sport page. They have that extra special something. Maybe it's that excellent worsted called Bonsted. It sure offers a wide variety of patterns and colours. Maybe it's the real interest in craftsmanship Bond tailors show. Anyway, I can tell you that Bond clothes give you good value for your money, good looks and good wear. Order a Bond tailored-to-measure suit and see for yourself!"
