**Even the Punch was Green
 As Lions Honour St. Pat**

The second annual St. Patrick's dance of the Georgetown Lions Club, was held in the Rose Room last Friday evening with the Modern Aires playing for the dancers. About 285 attended, and the dance set a new high in the list of semi-formals this season.

An innovation was the replacement of the usual sandwiches and coffee by a punch bowl, and begosh the punch was green, in keeping with the St. Patrick's decorations in the hall. Fancy cookies augmented the plentiful supply of punch.

Lucky spot dance winners were Bruce MacKenzie and Mrs. Herb Arnold, Dr. and Mrs. Wm. Stiles and Neil Robinson and Mrs. Walter Fidler. Among those who attended were: Mr. and Mrs. L. Today we Live in a Greater Canada

Foreign Flags over OTTAWA

TELL OF CANADA'S IMPORTANCE IN THE MODERN WORLD

20 years ago there was none... ten years ago only four... TODAY there are 24 Ambassadors, High Commissioners and Ministers representing their governments at Canada's capital. Striking evidence, that, of Canada's new place among modern nations!

We emerged from the war a far greater country than we ever were in pre-war days. Peacetime accomplish- ments are maintaining that new greatness today.

In the 80's we had a High Commissioner in London, and an Agent-General in France—but we had little say in our foreign affairs. Canada negotiated with foreign powers through the British Foreign Office, with Empire countries through the British Colonial Office.

In World War I Canada won the right to a separate signature to the Treaty of Versailles. That made 1919 an important date for us. Then, in 1931, we and the other Dominions gained recognition as equal partners with the United Kingdom.

World War II... Canada's achievements in battle overseas and in production at home won us world recognition as a modern power. The great majority of the embassies at Ottawa were established during the war years.

GUY PURSER is a young Canadian who started in 1931 with a gasoline station. Today, as a result of applying his knowledge of motor cars, his energies and talents to the full, he has developed a unique business in automotive service. His success has enabled him to fulfill a long nourished ambition to train and ride his own jumping horses, taking part successfully in open competition, and to turn his dramatic abilities profitably to playing leading roles in motion pictures.

GUY PURSER says: "I'm glad I decided to follow my career in Canada. There were opportunities when I started out. There are much greater ones now. No longer need young Canadians go beyond our borders to follow the road to success. It lies before them in Canada today."
