Blood Typing Service is Inaugurated by St. John Brigade

Marking the beginning of a system whereby anyone in the community who so wishes can obtain a free blood type service, several prominent citizens were "typed" on Monday night, March 24th, by members of the St. John Ambulance Brigade. These included Mayor Joseph Gibbons, Archdeacon W. G. O. Thompson, Town Assessor J. Arnold Early, R. B. Foulis and Frank Kentner.

Members of the Brigade, under the direction of Dr. C. V. Williams, have completed a 12-hour course in procedure over the past six weeks. Assisting in instruction were Mrs. T. F. Grieve, divisional superintendent, and Miss I. Emmelle, R.N., plant nurse at Smith & Stone, Ltd. The ladies, all qualified to assist in blood typing are: Mrs. William Hill, Mrs. Walter Peck, Mrs. Edna Cole, Mrs. W. F. Smith, Mrs. Art Scott, Mrs. George Harrington and Misses Dolene McEnery, Marjorie Evans, Jean MacKenzie, Jennie McDougall, Mary Watson, Margaret Cain and Kathleen and Sarah Blick.

The blood typing is done by taking a drop of blood from the ear or finger and submitting it to an analysis which takes fifteen to twenty minutes. Each person is then given a card showing the blood group. It is anticipated that the first local grouping will be done in industry, with employees of Alliance Paper, Provincial Paper and Smith & Stone being tested. Arrangements will also be made for any citizen who wishes to attend a clinic for this purpose. Duplicate cards will be kept at the local police office, where any doctor will be able to obtain information on the spot.

Photographs of the ladies conducting a test were taken on Monday by Frank Kentner and one of these will be reproduced in a future edition of the Herald. Mr. J. R. Potter of Ottawa, a field organizer for the group, has been in Georgetown on several occasions recently to assist the local brigade in setting up the system. Georgetown is one of the smallest communities to have this service and we can be justly proud of the good work the ladies have done in making this important service available here.

L.O.D.E. MEET AT MISS HELEN MACDONALD'S

The March meeting of the Countess of Strathmore Chapter, L.O.D.E., was held at the home of Miss Helen Macdonald on Monday evening, Mar. 24, with twenty members present. Mrs. Walter Eiehn, second vice-regent, was in the chair, in the absence of the regent. Secretary Hilga Erwin gave her report, as did the newly-elected Treasurer, Joan MacKenzie.

A \$5.00 donation was made to the St. John Ambulance national appeal. Mrs. Victor Diggins, as representative to the Halton Advisory Board for the Blind, announced that a tag day would be held early in May. The Chapter is undertaking to knit children's garments for European relief.

Miss Ruth Evans was welcomed into the Chapter as a new member.

The April meeting will take the form of a dinner party and every member is urged to attend. Hostesses for the evening were Miss Macdonald, Mrs. Ivan Ray and Miss Marjorie Gault.

MRS. JOHN TRACY SUCCEEDS TO LENGTHY ILLNESS

An esteemed resident of the Stewarttown district, Mrs. John A. Tracy passed away at Parkwood Hospital, London on Monday, March 24th. For the past seven years she had been bedfast and her passing was not unexpected and brought to an end untold suffering. Mrs. Tracy, who was formerly Annie E. Hamlyn, was in her 81st year. Her late husband was for over a quarter of a century clerk of the township of Esquimaux.

During her long life, practically all of which was spent in Stewarttown vicinity, Mrs. Tracy was quite active in community life. She belonged to the Women's Institute, the Women's Auxiliary of St. John's Church of England of which congregation both she and her husband were ardent supporters, and for many years she was assistant secretary of Esquimaux Agricultural Society.

She is survived by a brother, Thomas J. Hamlyn of London, two nephews, J. C. and F. J. Murray, and a niece, Mrs. C. G. English of this district. Interment was made in Woodlawn Cemetery, London. (Obit and Ingersoll papers please copy).

Thank you
HYDRO USERS

The wintertime power shortage in Southern Ontario has been relieved with the coming of spring and the longer hours of daylight. In the winter months the shorter and darker days create a maximum demand on your Hydro system. Conditions in this winter season are such that Hydro plants are loaded to the point where it becomes necessary to ask for the co-operation of all Hydro users in saving electricity by every possible voluntary means. In the spring and summer season the urgency for conservation is not so great as in the fall and winter.

The voluntary saving of electricity in homes, offices, theatres, stores, and in industry, greatly relieves this condition. Your response was very helpful. To those who so willingly co-operated during this emergency period, Hydro says, "Thank You."

In many localities Hydro stations and lines are overloaded because of the delay in obtaining necessary new equipment. Therefore, do not waste electricity—use Hydro wisely at all times.

THE HYDRO-ELECTRIC POWER COMMISSION OF ONTARIO
