**Fraser Mimms Weds Jean Bogie in Toronto**

North Parkdale United Church Toronto, was arranged with spring flowers Saturday afternoon, April 6th, for the double ring wedding of Jean Stirling Bogie, daughter of Mr. and Mrs. Albert S. Bogie and Fraser Marshall Mimms, son of Mrs. and the late Mr. H. R. Mimms. Reverend M. R. Sanderson officiated, assisted by Rev. Dr. A. F. Addison. Mr. G. Moschetti presided at the organ and during the signing of the register Arthur Bartlett sang.

The bride was given in marriage by her father and wore a white crepe gown with creamy filigree lace at the neckline. Her finger-tip veil fell from a coronet trimmed with seed pearls and she carried Delight roses in cascade. Mrs. C. N. Ransom was matron of honor in a lilac taffeta princess dress. The bridesmaid, Miss Joyce M. Clark, was in apple green taffeta. Their half-hats to match were trimmed with spring flowers and they carried harmonizing bouquets. Ed Fenell acted as best man and ushers were the groom's cousin, Murray Smith and Charles Ransom.

At the reception at Club Top Hat the bride's mother received in a long blue-grey crepe gown with black accessories and corsage of roses and sweet peas. The groom's mother assisted wearing a long rose crepe dress with black accessories and corsage of roses.

For a trip west, the bride had chosen a gabardine suit with brown shortie coat and accessories, a half-hat in toast shade and corsage of green orchids. The couple will live in Oshawa. The groom is a former resident of Georgetown, where his father once had an insurance agency.

**Apprentice Productions Plan Play This Month**

Drama enthusiasts are beginning to look forward to the second presentation of Apprentice Productions which is slated for the Old Town Hall April 30th — May 1st. This enterprising local drama group burst into prominence last fall, when their Laff Revue played to a capacity house and drew praise as the best theatrical production to play in Georgetown for many years. Encouraged by this first success and confident of increased patronage from the public, two performances have been arranged this time, with Jack Thompson, who fathered the organization, again at the helm in the director's chair.

They have chosen this time a three-act comedy "Look Who's Here" — a light farce of the style of "A Cookie for Henry" and "Good Night, Please" which established their aptitude for this in the Laff Revue. From that cast, Hal Newman, Lena Emmerson, Mary and Renee Diggins, Gertrude Dann and Neil McLennan, have been joined by Jean Mackenzie, Margaret Hoare, Ethel Anthony, Ken Butler and Bill Diggins to present this new play.

**APRIL INSTITUTE MEETING**

The April meeting of the Georgetown Women's Institute was held in the Public Library on Wednesday afternoon, April 2nd with about forty ladies present, an invitation being given to any interested to hear the guest speaker Mr. Frank Thompson of the Children's Aid. Owing to the illness of the President, Mrs. W. Sinclair, Mrs. W. G. McDowell acted as President and Mrs. Bailey accepted the Secretary's chair.

After the usual opening ceremony, the minutes of the previous meeting were read and adopted and the cor-

respondence was quickly dealt with to give the speaker plenty of time. Mrs. Fred McNally gave a report of the Birthday euchre and turned in a nice balance. Mrs. McDowell introduced Mr. Thompson, who gave a most interesting talk on the work of the Children's Aid and answered several questions asked by some of the members. The convenors for the day were Mrs. W. Reid, Mrs. Vic King, and Mrs. Alvin McDonald. After a vote of thanks to Mr. Thompson the meeting closed by singing God Save the King after which a tasty lunch was served.

**THE GUIDE — a Conservationist**

The guide helps the cause of conservation by setting an example in obeying the game and forest laws — the laws of Nature and of Man.

Winging its way northward to spend the summer in the land of its birth, the Canada Goose presents a picture of strength and endurance. We can help the geese on their exhausting journeys by providing sanctuaries along the way, and by conscientiously observing the game laws.

"The conservation of nature implies simply the wise use of our natural resources. We of the present generation must guard against their misuse and thoughtless exploitation. Only in this way can we pass on to our successors any semblance of unspoiled nature."
