Esqueuing Agricultural Society Will Again Sponsor Husking Corn Competition

Plan to Continue Junior Farmer Grain Show and Institute Displays at 1947 Fair — Ask for Continued Financial Support from local Firms and Businesses.

For the fourth consecutive year a field crop competition in Husking Corn will be launched and carried out by the Esqueuing Agricultural Society. This was decided at a meeting of the Fair Board held at the home of the Treasurer F. W. Cleave, on Monday night. The decision to again sponsor this competition was due to the success of the contest last year, and the fact that late seeding would not permit a spring grain competition. Last year, 20 entries were made and it is expected district farmers will swell the competition this year. Those planning to enter this spring should send their entries to the secretary as soon as possible.

With a number of fall fairs falling this year on the same date as Georgetown, Sept. 12th and 13th, dividing the potential exhibitors, it was decided by the Board to have a printed circular go out to all exhibitors in horses and livestock, inviting them to attend Georgetown Fair, and outlining the advantages of so doing. It was announced that the school prize lists had been printed and sent to all schools in the district. If any schools have been missed, teachers may get copies from the secretary. It was decided to award ribbons as well as prize money this year in most classes in the hall.

An invitation will be extended to District No. 5 of the Fall Fair's Association, including the counties of Dufferin, Simcoe, York, Peel and Halton, to meet in Georgetown for their summer convention.

Work will commence at once on the 1947 prize list and those wishing advertising should arrange for same. Directors will be busy shortly soliciting donations and special prizes and it is hoped this worthwhile organization will be given every support.

The Board decided to set aside \$100 again this year for the Junior Farmers' Grain Show and Institute's displays, which added greatly to the hall display last year, and received favourable comment from the Ontario Dept. of Agriculture.

The lady directors also met with the men's section, and made plans for their part in the 1947 show. It was decided to again make an effort to secure Mrs. Aiken for a short talk and demonstration in the big tent. Considerable time was spent on the prize list, and some slight changes made in the domestic science classes.

The directors are planning another big fair for Georgetown this year, and they look forward to the continued wholehearted support they received at their centennial last year, when the largest fair on record was held.

Lower Prices Campaign Continues As Another Store Joins

While the lower price campaign, started last week by one Georgetown merchant has not led to any concerted action in Georgetown, at least one other store has taken up the idea. Last week a sign in Baird's Bakery announced a 10 per cent price reduction on all pastry and cake sold. Meanwhile, Brill's Department Store have announced that they will continue for another seven days the 10 per cent storewide price reduction, by which they hope to help persuade manufacturers to reduce prices so a permanent saving can be passed on to the consumer.

TORONTO TO GEORGETOWN RUN WON BY MARATHONERS

Beating the long distance runners by a scant 50 yards, a marathon team from the Gladstone A.C. won a race from Toronto to Georgetown last Saturday afternoon. The race started from the Toronto city hall steps at 2:20 p.m. when Mayor Bob Saunders handed Ray Martin a baton, told him to take best wishes to the mayor of Georgetown and said "Go." The race ended at 6:17 p.m. when Bill Collier, local track star, handled the baton to Mayor Gibbons at the Waterworks Building. The marathon team covered the thirty-six and two-fifths mile course at a speed of 6 1/2 minutes a mile. Georgetown men in the race included Jim Emmerson and Bruce Harley, running from Brampton and Bill Collier and Bill Emmerson from Norval.

BALLINAFAD

A number of the members of the Ballinafad Auxiliary and three Circle Girls attended the Halton Presbyterial annual meeting Thursday, May 1, at Millgrove. An address by Miss Clearthue, a returned missionary from India, enlightened us on our study of India.

Miss E. McDougall of Acton, teacher in Woodside school spent the weekend with Joanna Shortall.

The Mission Circle Girls' afternoon tea Saturday afternoon was a decided success. The display of sewing was a credit to the girls. Mrs. O. R. Pindall, the superintendent, and Mrs. E. Snow, the president are to be congratulated on the splendid display of work.

Miss B. Hiltz is spending a few days this week with Rev. and Mrs. A. O. W. Foreman at the Manse, Posenby.

Banquet and Dance Will Fete Georgetown's Hockey Team

May 20th will be a big night in Georgetown when the Hockey Club executive will tender a banquet to the members of the Intermediate "A" hockey team — semi-finalists in the play-offs and who almost brought a championship to town this year. At a banquet in the McGibbon House, windbreakers and crests will be presented to the members of the team. Invited guests to the banquet include George Panter of Gravenhurst, OHA president, Tony Gregg, Wingham and Tiny McPadden, Galt, members of the executive, and Bunny Morgan, Toronto sports writer.

Don't take our word for it, but we have it on good authority from a hockey club vice-president that entertainment at the banquet might include numbers by George "Diplock" Pormby and the famous rendition by Sidney McSilver of "Road to the Isles" (usually reserved for New Year's Eve) accompanied on the pipes by McArthur McHurt.

The banquet will be followed by a public dance in the Rose Room, where those who have not been able to attend the banquet because of the limited accommodation will have a chance to congratulate the team.

Mr. and Mrs. R. J. Graham have moved up to their own house at the corner.

Wet misty weather is delaying the seeding but nice days will come eventually.

Don't forget it's Mother's Day next Sunday. The greatest Gift God gave to earth was our Mother.

"The flowers we wear on Mother's Day
Tell us a story of their own;
The rosy ones speak of joys of today
The white ones of sadness known
But whatever the color it matters not
A like fragrance they impart,
Giving thanks for a mother's thoughtful care.
With love from a grateful heart."

New Municipal Building Will Cost \$16,251

Georgetown will have a new Municipal Building on Main Street on the site of the present Waterworks Building. J. B. Mackenzie & Son have tendered for the job at a price of \$16,251, and the tender was accepted at Monday's Council meeting.

The new building will replace the former Municipal Building, which was sold this spring at a price of \$28,508. It will consist of an addition to the waterworks building and will contain offices for the town clerk, assessor and Provincial Police and a lock-up and Council Chamber. The building will have a modern brick front.

The original tender called for a stone front, but as the use of brick will mean a saving of \$1694, Council decided on this. A further saving of \$1355 was effected by dispensing with the idea of a removable fall cell, replacing this with a built-in lock-up on which the doors of the present cells in the Old Town Hall could be used. Mr. Hall of Brampton, is architect. With the addition of his 5% fee, complete cost of the new building will be \$17,063.
