FRIENDS:

These are the first of a few notes we will be jotting down from time to time concerning our work, our shop and matters of local interest. Our shop hopes to be of service in the repair of farm and industrial equipment and repairs to guns, toys, or anything mechanical that it is possible to fix.

We are a small firm and there is much equipment we need to complete our shop. This equipment, we hope, will be added in the near future. In this first note I want to sincerely thank the good people who have assisted us to get established in your community, especially Norm Snyder of Snyder's Transport, Mr. and Mrs. E. Rawson of Ernie's Radio, Mr. McCallum of the Hydro, Mr. Clayton, Bank of Montreal, Acton, Mr. Ireland, Bank of Commerce, Georgetown, Vic Diggins, Georgetown Manufacturing Co., Mayor Gibbons for his advice, and many others too numerous to mention.

My wife and I certainly like your town and we do hope you will like us. "Drop in and see us, will you!" - Les Tomlinson
