FARM AND INDUSTRIAL REPAIRS

MILL STREET PHONE 509

FRIENDS:

We never realized how beautiful the countryside of Georgetown was until we went up the Glen Williams road and back past Hickory Falls. It is worth a half hour of one's time to just look at its beauty.

Lawn mowers, shafts, bushings, washers and machine repairs have really kept us busy this week, and arranging for proper tools needed in our little shop has kept us busy the rest of the time.

Look around your home or farm. There are plenty of repairs we can make inexpensively without waiting days or weeks for parts. Come in and let us take your job over.
