IN MEMORIAM

BARCLAY—In loving memory of Mrs. Samuel Barclay, who died June 13th, 1946.

In tears I saw you sinking
And watched you fade away;
God knows how much I miss you
As it dawns two years today.
I think of you in silence
And oft repeat your name.
But all that's left to answer
Is your picture in a frame.
Your memory is my dearest treasure,
In my heart you will live forever.
—Ever remembered by daughter,
Mary and son-in-law Bob.

Jack Kerr and family.

NORTON—In loving memory of a dear son, Percy, who passed away June 7th, 1963.

Mrs. DeVries was guest speaker choosing "The Dutch Food Question" as her topic. Having recently paid visit to her homeland she brought first hand information concerning their hardships during the war years. She described the Dutch as an obstinate people but with a good mixture of common sense. She said that the homes are being restored fairly rapidly now. The speaker was introduced by Mrs. S. Wright, home economics co-ordinator who had charge of the day's program.

Mrs. Smethurst read the motto "A Stitch in Time Saves Nine" and Mrs. A. Benton read the current events.

An interesting part of the program was the presentation of gifts to retiring president, Mrs. Ellerby and 1946-47 treasurer, Mrs. E. Miller.

Mrs. Kirkpatrick and Mrs. Spitzer presented Mrs. Ellerby with a desk chair and a wall mirror as a token of appreciation of her six years faithful service on behalf of the branch and Mrs. Gistby, new president pinned a

Federated W.I. of Ontario pin on her lapel.

Mrs. Benton then presented Mrs. E. Miller with a cup and saucer on behalf of the members. Both ladies made suitable replies, although taken by surprise.

Mrs. Gistby served refreshments at the close which included a birthday cake in honour of a member whose birthday was the same day.

FARM AND INDUSTRIAL REPAIRS

YOUNG STREET PHONE 509

FRIENDS:

Had a nightmare the other night. Seemed we were surrounded by lawnmowers, power take-offs, motor bushings, shafts, hammer mills, etc. My brother Eric was advancing on me with a pair of pruning shears as a weapon, demanding I get him some help.

The ladies of Georgetown must be pretty careful with their tools as we have yet to sharpen any of their scissors, knives etc.

We have made arrangements with a Toronto firm to supply motors, one-sixth, one-quarter, and right up to 5 and 10 horsepower, 26 cycle or 60 cycle, used or new. Several 1/4 h.p. washing machine motors are in stock for sale.

Come in and see us no matter what your job is. If we can solve it we will. If we cannot we will tell you so.
