HALTON, PEEL, HOLSTEIN AND JERSEY FIELD DAY

Dairy Specialists and their wives to the number of seven hundred or over gathered at Ontario Agricultural College on June 7th from the Counties of Peel and Halton. The study of two prominent breeds was the topic of the day and a keen judging contest was staged by the ladies, men and junior farmers. After luncheon had been partaken of, the crowd gathered at the livestock parade grounds where they were addressed by Mr. W. R. Reek, M.B.E., acting President of the Ontario Agricultural College. Mr. Reek deplored the severe experiences of Ontario farmers this year especially when every effort was being made to increase crop and food production. He pointed out that with almost certain grain shortage it would appear in the best interests of all farmers to give increased attention to the harvesting and care of hay. He extended a very hearty welcome to the breeders. Two groups of four Jerseys and four Holsteins were led into the ring and the visiting group were invited to join in judging the animals as they appeared from the bleachers.

Ladies Judging Jerseys:
Mrs. Charles McKeown, Acton, (Halton) and Mrs. John Pawley of Caledon (Peel) were tied for first place.

Jersey Men Group:

Jack Pawley (Peel) was first; J. W. Wiggins (Peel), Charles McKeown (Halton) and E. Davies (Halton) tied for second place.

Jersey Boys

James Crow (Peel), was head man; Bruce Nixon (Peel) was second and Carl Laidlaw third.

In the Holstein Group

Ladies Judging Holstein
Mrs. M. T. Laidlaw, Norval (Peel) and Miss Jessie Alexander (Halton) tied.

Holstein Men:

Grant Elliott (Peel) was an outstanding first man and the following men tied for second place:

Gordon Sinclair (Halton); John Bird (Halton); Alfred Ball (Halton); John Reid (Peel); Frank Cartwright (Halton).

Junior Farmers Judging Holsteins:

Edward Segsworth (Halton) was first; Ray Anderson and Donald Anderson of Halton County tied for second.

Following the judging contest an interesting parade display of livestock of various kinds was made. By this time rain forced the crowd to repair to Memorial Hall where an interesting program of radio films was offered in place of the athletic contest which could not be held.

Mr. James E. Whitelock, Agricultural representative of Halton County and Mr. Bruce Beer, Agricultural Representative of Peel County were present. The placements of the two groups of livestock were made by Mr. George Drennan, Field Secretary of the Holstein Breeders Association and Mr. James Bremner, Secretary of the Jersey Breeders Association.

ROLL UP MILEAGE!

WITH LONG-LASTING MONEY-SAVING **GOOD YEAR TIRES**

On the road... mile after mile... husky, thick-treaded Goodyears deliver safe, road-gripping service. The extra miles you get from Goodyears make them the best tire buy—by far! Get mile-eating Goodyears today—we have your size.

BEST BY MILES!

NEW HORIZONS IN Canada Unlimited

DIPLOMA IN CANADA'S FUTURE

WHETHER it be an engineering degree or a metalworking certificate, whether it be received in cap and gown or dungarees, this paper represents accomplishment. It states that this young man has prepared himself with training for leadership in his field... that he has foresight and faith in himself.

But more than this, it indicates that our reservoir of trained youth has been increased; that still more Canadians have equipped themselves to accept the challenge offered by Canada's promise of rich rewards to imagination and initiative.

Combined with Canada's vast resources, these ambitious young men and women give substance to the New Horizons in Canada Unlimited.
