Agricultural Field Day Attracts Large Attendance

The second annual field day of the Halton Federation of Agriculture held at the Milton Fair Grounds on Saturday, June 21st, was largely attended from all sections of Halton. A softball tournament open to the rural public schools of Halton was perhaps the feature of a heavy and busy day's program, which kept President Paul Fisher and his fellow officers on the hop from 10:00 a.m. until 7:00 p.m. Twenty teams representing 35 Halton rural public schools competed in the softball tournament for the Milton Milling Trophy. Teams were in action on five different diamonds at one time. These had been prepared in the big fair grounds. The same grounds have been the site of many outstanding ball games over the past two or three decades, but certainly they have seen none which have been more keenly contested than those of Saturday last. Each of the 35 schools had their quota of rooters and certainly they had plenty of opportunity to root and cheer, for amongst the 200 boys and girls participating in the ball games, were many who give promise of developing into big league stars.

The boys and girls got their teachers enthused to the point where the teachers of North Halton challenged those of Nelson and Trafalgar. In a bitterly fought game with no holds barred, the North edged out the South by 7-5 for the special prizes donated by President Fisher and Sheriff W. J. Robertson. The programme included races for young and old, and how those youngsters could step.

Another feature of the big day's programme was the track and field events and also softball games for Halton Junior Farmers, who under the leadership of Cameron Wilson, 1st vice president of Halton Juniors, were selecting their star athletes to represent them at the Central and Western Ontario Junior Farmer Field Day, scheduled for the Ontario Agricultural College on Friday, June 27th. There was a total of 80 entries in the track and field events, with the Palermo Club having the largest number.

The inter-township softball tournament for the Milton District Co-operative Trophy, brought out all the old stars, past and present. In brief, it is questionable if the grounds of the Halton Agricultural Society have ever previously seen so many athletes in action in one day. Favoured by ideal weather conditions the "old folks" were there too, and the R. S. Heatherington specials offered for the oldest couple on the grounds went to Mrs. Mary Alderson, age 80, of Hornby, R. R. 2, and Geo. A. Bell, age 87, of Freeman.

The wants of the inner man were well looked after by the ladies of the Dublin and Hornby Women's Institutes. It would be interesting to learn what quantities of ice-cream, pop, pie, watermelon, and sandwiches were consumed, but you can rest assured the young folk kept the booth attendants digging into the reserves in the latter part of the afternoon.

The results of the day's programme were as follows:

Inter-School Tournament - Halton Rural Public Schools

First Round—The Lowville, Limestone, Bell's team eliminated the Kilbride - Cedar Springs nine; the Palermo, Munn's and 16 Trafalgar nine defeated Bronte; No. 4 and No. 5 Nassagaweya eliminated the team representing 7, 8 and 9 Nassagaweya; and 3B Trafalgar defeated Linbrook's All Stars; and the Hornby-Ashgrove nine get the decision from the Dublin - Lorne team.

Second Round—Lowville and their team mates from Limestone and Bell's nosed out Fisher's Corners; the

The Weather

Mr. Editor:

Lots of people must have had their fingers crossed because two perfect weekends in a row is really something. It has been warm though and both Max. and Min. were well above the monthly average of 75 and 52. The gardens need a nice shower.

DATE	MAX.	MIN.	RAIN
June 23	83	47	
June 24	81	52	
June 25	75	61	Trace
June 26	77	59	Trace
June 27	84	51	
June 28	85	58	
June 29	87	66	
Average	81.71	56.25	Trace

Omagh-Boyne nine eliminated the nine representing Coyne's, 6- and 10, Trafalgar; the Norval nine edged out the Pinegrove - Merton combines; Campbellville-Kelso defeated Nassagaweya 1, 2, and 3; and 3B Trafalgar won over Tuck's, Nelson, and Mt. Nemo.

Third Round—Palermo, Munn's and 16 Trafalgar team ousted Omagh-Boyne; Norval eliminated Hornby-Ashgrove; Nassagaweya 4 and 5 defeated the Campbellville-Kelso nine; and 16 combines ousted the Lowville, Limestone-Bell's All Stars; Nassagaweya 4 and 5 defeated Norval, with Trafalgar 3B getting a bye.

In the semi-finals the Nassagaweya fours and fivers won over 3B Trafalgar, which brought them into the finals against Palermo, Nunn's and Sixteen nine. And what a game - it had all the thrills of a world series event, and went extra innings before the all-stars from Nassagaweya 4 and 5 became the first winners of the Milton Milling trophy.

In the inter-township tournament Nelson edged out Trafalgar by nine to 7, while the Nassagaweya nine eliminated Esquesing 7 to 3. In the finals Nassagaweya with the aid of a few outsiders defeated Nelson 15 to 11 and for the second time in a row won the Milton District Co-operative Trophy.
