

NOW GAS COOKING COMES TO PEEL COUNTY HOMES

Enjoy these advantages of quick, clean, gas cooking

Folks everywhere are talking about Esotane, the new, modern, metered gas service brought to Peel County by Imperial Oil Limited. Now, no matter where you live, you can enjoy all the advantages of city gas. Esotane is natural petroleum gas supplied in small, safe steel containers. It burns with an intense, steady flame. It's clean. It's odorless. Gives maximum heat the minute you turn it on—no slow-heating elements to fuss with; no fires to poke or shake. Esotane is non-poisonous, perfectly safe.

It's easy to start using Esotane. Imperial Oil service men simply set up steel cylinders outside your home, lead the gas into your kitchen through small copper tubing. For the average family, one cylinder will last up to three months. The cost is small—you pay only for the gas you use as shown by your meter. There's no danger of running out—your gas supply is checked regularly. Esotane is the same type of gas now being used by more than 4,000,000 homes in Britain and the United States (70 per cent of these users live in areas where electricity is available).

**MORE LEISURE.** Esotane is the perfect cooking fuel—gives you the exact degree of heat when you want it. Makes cooking a joy. The convenience, speed and cleanliness of Esotane mean extra leisure time for you. Send for free booklet today.

**WHAT NEXT?**

What's scarce now? Lumber, nails, plumbing or wiring equipment... the list is endless. No sooner is one problem solved than another comes along. The scarcity of materials has delayed the completion of many new Hydro projects. This, combined with a greatly increased demand, has limited the power supply.

Never has Ontario used so much electricity as now... not even during the record-breaking war years. Another half million horsepower could be utilized almost immediately, if available. Hydro plants to generate that much and more have been planned and are under construction. Some additional power will be delivered this year... more in 1948. But it will be 1950 before the big new Hydro plant on the Ottawa river can start to pour its 360,000 horsepower into the Hydro system.

Why so long? It's because of the shortage of building supplies... a tremendous quantity of construction materials and electrical equipment must be sought and bought to build such a plant. The Ottawa river development alone requires a concrete dam nearly half a mile long, in addition to the power house and the thousands of items of electrical equipment, small and large. Building a new power plant often creates an entirely new community. It takes a long time... especially when materials are as scarce as they are now.

Few places in the world have as much electricity available per person as Ontario has. However, it must be conserved so that new homes and industries will all receive their share... so that the wheels of our factories will be kept turning and maximum employment and production maintained... use Hydro wisely and there will be enough for all.

**Nassagaweya Busy Bees Organize as Institute**

The Nassagaweya Busy Bees, an extremely active group of ladies who did a wonderful job of fund raising and parcel sending during the war years, has reorganized as a Women's Institute. On May 9th, a meeting was held at the home of Mrs. Al Allen, when through the efforts of Mrs. O. E. Davenport, Mrs. Lloyd Crawford, district Women's Institute president, attended and explained several phases of the W.I. work and the advantage of forming a W.I., which would in no way interfere with the idea of club work.

All the ladies present favoured the change and the name chosen was the Busy Bees W.I., Nassagaweya. Mrs. Crawford presided over the election of officers. A word of appreciation was tendered. Mrs. C. E. Davenport and Mrs. J. J. Kennedy, who declined to continue as president and secretary-treasurer. The ladies had carried the club through a tiring and trying time. They replied that the cheerful co-operation of all had made it a pleasure rather than a task.

Officers of the new Women's Institute are:

- President — Mrs. Al Allen
- 1st Vice-Pres.—Mrs. Peter McLean
- 2nd Vice-Pres.—Mrs. J. J. Kennedy
- Sec.—Mrs. Stephen Cox
- Dis. Director—Mrs. C. E. Davenport
- Home Economics—Mrs. S. Robinson
- Agriculture—Mrs. C. E. Davenport
- Social Welfare—Mrs. I. Little
- Citizenship—Mrs. O. Locker
- Historical Research — Mrs. J. J. Kennedy
- Planner — Mrs. Allen

The meeting closed with the singing of "Blest Be the Tie that Binds" and the repeating of the Lord's Prayer in unison. The social hour, over a lovely lunch served by the hostess, was enjoyed by all.

On June 10th, Mrs. Stan Robinson opened her home for a meeting. Mrs. Allen, the president, led in prayer, followed by "Blest be the Tie That Binds." Convenors were elected as follows: Ass't. Sec. Treas. — Mrs. Arthur Davenport

Sick Convener—Mrs. S. Robinson  
Publicity—Mrs. J. J. Kennedy  
Quilt Convenors—Mrs. W Service, Mrs. O. Locker

Program — Each hostess will serve as her own convener this year

Mrs. Davenport gave a report of the District Annual at Milton. Mrs. David Anderson gave a reading and Mrs. Allen sang a solo. The Mizpah benediction and God Save the King closed the meeting. Mrs. Robinson served a lovely lunch. Her recipe for dainty cookies was taken home by most of the ladies.

Mrs. C. E. Davenport was hostess for the July meeting of the Institute. After opening the meeting in the usual way, Mrs. Allen read some of the rules for conducting a meeting. Roll call was answered by "My Favourite Song." The secretary, Mrs. Stephen Cox, gave the report of a booth which the group had operated at a benefit dance at Brookville Hall. A special meeting had been held at the home of Mrs. Arthur Davenport to arrange for this and for making a quilt for the same person who had lost his home by fire.

An invitation from a neighbouring W.I. to attend as guests one of their meetings was accepted. It was decided to have program folders printed. Mrs. Jennie Howard offered her home for the Aug. meeting. Mrs. Roy Lindsay and Mrs. Oscar Locker were elected branch directors.

Mrs. Stan Robinson gave a splendid paper on home economics and told of the new plastics and their use and benefit in the home. Mrs. Dognvetra benefit in the home. Mrs. Davenport gave a reading "Tea Time Shopping" and Mrs. Wilfred Kennedy one on "Quilts of Arms." Martin Davenport's piano solo was much enjoyed. Mrs. Davenport served a lovely lunch and cup of tea at the meeting's close.

**Brother Dies, Was Chesley Businessman**

Walter Hughes, a resident of Chesley since 1923, where he conducted a barber and tobacco shop, died on Sunday, July 6th in Christie Street Hospital, Toronto. Mr. Hughes was a brother of George F. Hughes, R. R. 1, Georgetown who moved to this district two years ago when he purchased the former Vern Pickett farm.

Mr. Hughes was born in Paisley and lived in Shallow Lake and Owen Sound before settling in Chesley. He served overseas with the 110th Battalion of the Perth Regiment in the first World War. Surviving are his wife, formerly Myrtle Ravelle of Grand Bend, two children, Mrs. Walter Maluske, Kitchener and Clifton of Owen Sound, two brothers and two sisters, J. R. of Owen Sound, George F., of Georgetown, Miss Lulu Hughes and Mrs. Howard Ellis of Toronto.

It will come as a surprise to thousands of visitors to the Canadian National Exhibition to know that the exhibition park includes a rose garden of exquisite beauty. This lovely garden of floral artistry is at the West End of the park. It is well worth a visit day or night. After sundown concealed lights lend fairy-like enchantment to the scene. The garden has never been more beautiful than for this year's exhibition.
