THE MIXING BOWL

By ANNE ALLEN

Hydro Home Economist

Hello Homemakers! This column is devoted to your requested pickle recipes. You should have heard the folks rave about the aroma from our best batches of relishes. The listed recipes are those we have tested and are happy to have on file. Pickles provide rest to winter meals and those which can accompany many foods are most useful. We believe these are easy-to-make and score on colour, consistency and flavour.

Spiced Gooseberries

2 1/2 qts. of berries, 1 cup of vinegar, 2 lbs. sugar, 1 tsp. cinnamon, 1/4 tsp. allspice, 1/4 tsp. cloves.

Put off the tails and stems of the berries. Bring the vinegar and sugar to boiling point and add the spices, then add the gooseberries and simmer slowly for about 20 minutes. Bottle in small airtight jars.

Pear Chew Chew

8 pears, 3 onions, 3 sweet red peppers, 1/2 cup sugar, 2 cups vinegar, 1/2

cup water, 2 tps. salt, 2 tps. whole spice.

Peel onions, remove seeds from peppers, put both through food choppers, using coarse knife. Peel and core pears. Cut in small cubes. Mix sugar, spices, salt and vinegar. Heat to boiling point. Add onions, peppers, pears and spices tied in a cheesecloth bag. Simmer 30 minutes on electric element turned low, stirring occasionally. Remove spices. Pour into hot sterilized jars. Seal. Yield: 4 pints.

Hot Dog Relish

3 pounds (12 to 15) sweet red peppers, 3 pounds (12 to 15) green peppers, 3 pounds (12 to 15) medium onions, 4 cups vinegar, 1 cup sugar, 1 tsp. mustard seed, 1 tsp. dry mustard, 1 tsp. celery seed, 2 tsp. salt.

Peel onions, remove seeds from peppers, put both through food choppers, using coarse knife. Place in large preserving kettle, cover with boiling water, let stand 5 minutes. Drain thoroughly. Add vinegar, sugar, spices

and salt; cook until vegetables are tender — about 10 minutes, stirring occasionally. Pour into hot jars. Seal. Yield: 6 pints.

Chutney Sauce

12 large, ripe tomatoes, 4 large onions, 1 green pepper, 1 sweet red pepper, 4 large apples, 1 cup chopped celery, 1 cup brown sugar, 1 cup vinegar, 2 tps. cinnamon, 1 tsp. cloves, 2 tsp. salt, 1 tsp. pepper, 2 tps. mustard.

Blanch, peel and cut up tomatoes. Peel and chop onions, dice apples, peppers and celery. Combine all ingredients. Let come to a boil and then cook slowly until thick, taking care not to let it stick to the bottom of the pot and burn. Seal in sterilized jars.

Take A Tip

1. Powdered spices make a dark coloured chutney, whereas the whole spices leave a lighter relish. If you substitute whole spices for powdered mixtures use a little extra quantity.

2. Soaking cucumbers and onions in strong brine causes them to wrinkle.

3. Cider vinegar has a stronger aroma than the bleached vinegars, but may cause onions and celery to darken slightly.

4. Do not cook spicy sauces too long. Vinegar and spices help to retard chemical action.

The Question Box

Mrs. C. B. asks: Recipe for Pickled Peaches.

Answer:

Pickled Peaches

8 lbs. ripe peaches, whole cloves, 1/2 cup water, 2 cups cider vinegar, 2 1/2 cups sugar, 3 tps. stick cinnamon, 1 tsp. root ginger, 2 tps. of mixed pickling spice, 1/2 lemon, thinly sliced.

Use large, firm peaches. Scald, skin and cut them in halves; stick two or three whole cloves in each half. Combine the vinegar, water, sugar, spices, (tied in a cheesecloth bag) and the lemon slices; boil for five minutes. Simmer the peaches in the syrup, one layer at a time until tender; lift into sterile jars; fill to overflowing with the boiling syrup and seal at once. Yield: approximately 4 pints.

Miss M. T. asks: Recipe for Mint Pears.

Answer:

Mint Pears

Pare, core and put in slightly salted water, to prevent discoloration. Pack into prepared jars and fill with medium syrup to within 1 1/2 inches of top of jar. For each qt. add 1/2 tsp. mint extract and enough pure green fruit coloring to give desired shade. Add flavoring and fruit coloring to syrup before filling jars. Partially seal and process in electric oven for 1 hour at 275 degrees F.

Mrs. J. G. asks: What has made my crabapple jelly very dark?

Answer: It is the result of too slow cooking.

Mrs. T. C. asks: Our currant jelly has sugar crystals in the bottom of the jars. Should it be boiled again?

Answer: Not, it will keep as it is. Crystals are caused either because sugar was not stirred until dissolved or jelly was boiled too long.

Farm Hand Comes In \$20 Taxi—Hitches Up To Quit Next Day

A local farmer will check and double check next time he secures help through the employment service in Toronto before he hires anyone.

Elmer McMillan, R. 1, Erin, received the surprise of his life when a Toronto man arrived as a helper at his farm and reported to him with a \$20 taxi bill. Because of the scarcity of farm workers these days McMillan paid it.

Next morning on awakening the farmer heard a noise in his barn. On arriving there he caught the new man leading a horse from the stable fully harnessed.

Asked by McMillan what he thought he was doing the man replied he did not want to work on a farm and was taking the animal as a means of transportation back to Toronto.

Although he was asked not to leave as the farm needed his help, the man trudged off down the road, but without the horse. — Erin Advocate

CANADIAN HOLSTEIN MAKES 200,000 LB. RECORD ON TWICE-A-DAY MILKING

A purebred Holstein owned by James R. Henderson, Portmouth, Ontario, has given a total of 201,382 lbs. milk containing 6,966 lbs. fat during her lifetime on Record of Performance test. She is Supreme Ruby Echo and she completed her records on twice-a-day milking. Only two cows in the world have ever completed official lifetime records of over 200,000 lbs. milk on twice-a-day milking. Both are Canadian Holsteins, the other being Meadowdale Echoes Rosebud owned by Q. D. Whale, Alma, Ontario, with a total of 203,810 lbs. milk containing 6,964 lbs. fat.

Ruby is again on test and has milked up to 78 lbs. daily so that if all goes well she will substantially add to her lifetime production in her current lactation.

GEORGETOWN DELIVERED PRICES OF GENERAL MOTORS CARS

FROM time to time, as a matter of public information, we have published the Retail Delivered Prices of General Motors Automobiles.

In accordance with this practice and to eliminate any uncertainties or confusion, we are again publishing the present Retail Delivered Prices. These prices include Standard Factory Equipment, Dominion Taxes and spare tire. Provincial and Municipal Taxes where such apply, license fee, and optional equipment are, of course, additional.

We sell these makes and models at the prices shown. You may rest assured, we will distribute them as fairly as possible with proper regard for orders placed with us and dependent upon the availability of models.

Should you be offered, from some other source, a new car, or one with low mileage, we suggest that you pay no more than the prices listed. You will obviously

find it to your advantage to wait a little longer, until we are in a position to deliver a car against your own order.

We are sorry to say that delivery to you may be delayed for some time yet. This is due, in particular, to the shortage of many materials. General Motors has done a splendid production job under the circumstances and expects to steadily increase the rate of production. Meanwhile, these conditions, combined with the wide popularity of General Motors cars, and such an unprecedented demand, mean that delay in some instances is quite inescapable. We entreat your patience and understanding while the shortage exists.

We realize that our success depends upon the confidence and goodwill of our many customers. We will strive at all times, through good business practices, to justify, and therefore retain, this most valuable asset.
