FARM AND INDUSTRIAL REPAIRS

YOUNG STREET PHONE 509

REPAIRS:

- Too hot for anyone to work this Tuesday. Everyone's on holidays but ourselves. Just a brief resume
- Efficiency which we know we possess
- Marks the spot where we bury the person who wants a five dollar job for fifty cents.
- Candid estimation of your job. Bushings and shafts and all machine parts.
- Extra care to make your job satisfactory so we won't have to do it again.
- Lots of odd size tools, steel nuts and bolts.
- Oh how we wish you people would bring in your parts before they go too far. Or any implement shop in town for that matter. If you see a part wearing, see Mr. Hewson, Mr. McMillan or Mr. Hume so they can order a new part before the other breaks. If they can't help you come and see us for welding, drilling, machining.

— LES TOMLINSON
