Groom's Father Officiates at Dunlop - Laidlaw Nuptials

Norval United Church, decorated with palms and white gladioli, was the setting for the wedding on Saturday, August 2nd, of Jean Mabel Laidlaw, daughter of Mr. and Mrs. Norman Laidlaw, RR 2, Norval and John Rowland Hill Dunlop, son of Rev. and Mrs. F. J. Dunlop of Norval.

The groom's father officiated at the ceremony and Mrs. William Beattie of Toronto was at the organ. The bride's cousin, Miss Florence Laidlaw, sang "O Perfect Love" and "Befause" during the service.

Given in marriage by her father, the bride was gowned in ivory satin fashioned on princess lines with sweetheart neckline. Her finger-tip veil was caught with a halo of orange blossoms and she carried a bouquet of red roses. Her cousin, Miss Muriel Laidlaw was maid of honour, and the groom's sister, Miss Helen Dunlop was bridesmaid. They were gowned alike in pale blue taffeta and carried bouquets of gladioli.

The bride's brother, Bill Laidlaw was groomsman and ushers were her cousin, Clark Lyons and the groom's cousin, Jack Goodchild of Toronto.

Following the ceremony a reception was held at Kaynor Farm, home of the bride's parents, where her mother received wearing a grey tulle dress and pink rose corsage. Mrs. Dunlop was in Nile green with corsage of yellow roses.

For a wedding trip to Ottawa and Huntsville, the bride changed to a powder blue suit with navy accessories. The couple will take up residence in Toronto. Out-of-town guests attended the wedding from Huntsville, New Liskeard and Toronto.

WHITE EMPRESS BACK: When the passenger liner Empress of Canada sailed under Jacques Cartier Bridge spanning the St. Lawrence at Montreal on July 23, regular passenger service between Canada and the United Kingdom, which had been a thing of the past since 1940, was resumed by the Canadian Pacific. The "White Empress," which as the Duchess of Richmond saw valiant service as a troopship during the war, has been completely refitted and readapted to bring her up to the Empress class, and will sail every third Wednesday from Liverpool and every third Saturday from Montreal, which stops at Quebec each way. In winter the Canadian terminal port will be Saint John, N.B., and the ship will call at Halifax eastbound and westbound. The day following the Empress of Canada's arrival, Captain Sbergold, master of the ship (seen above on his bridge as he brought the ship up the river), was chairman at a luncheon held on board and attended by leaders of state, church and commerce (top picture). W. M. Neal, the chairman and president of the Canadian Pacific Steamships, is seen at the microphone as he stressed the Company's firm intention to rebuild its ocean fleet and to continue to be a vital link between Canada, the British Commonwealth and other nations of the world. Rt. Hon. C. D. Howe, minister of reconstruction, who proposed the toast to the ship, paid tribute to the war record of the line and its personnel, 85 of whom were decorated for gallantry at sea.
